

Item 68 Motion Sheet

I move to provide the following direction for item 68:

1. The City Manager is directed to release data collected by Austin Homeless Strategy and Operations (AHSO) on a quarterly basis to Mayor and Council, that outlines the services delivered and housing outcomes for two distinct populations within the IH-35 Oltorf area:
 - a. Individuals experiencing unsheltered homelessness; and
 - b. Families experiencing homelessness who have children enrolled in local schools.
2. The City Manager is directed to return to Council within 90 days of the program start date to report the following:
 - a. The feedback process mechanisms and tools currently available to community members and leaders, including a staff contact within AHSO.
 - b. Eviction-prevention and homelessness diversion services offered to individuals experiencing unsheltered homelessness and families experiencing homelessness who have children enrolled in local schools.
 - c. Engagement mechanisms and paths between AHSO and Austin Police Department, Austin Independent School District (AISD), AISD PD, and other related City departments on matters related to student and resident safety.
