

RESOLUTION NO.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The City Manager is directed to identify options for the siting of future City-owned gas peaker units by taking into account the following considerations:

1. Equitable geographic distribution of proposed City-owned gas peaker units should ensure that communities east of IH-35 are not additionally burdened by environmental justice issues including, but not limited to, air pollution, noise pollution, and vibration; and
2. Existing City-owned gas peaker units are exclusively located in East Austin.

BE IT FURTHER RESOLVED:

The City Manager is directed to present these siting options to Council no later than December 31, 2026.
