Subject: Objection to C14-2024-0111

Hello Jonathan,

My name is Mary Cecelia Hoy Wehmeier; the homeowner at 2103 Maldon Pl, Austin, TX 78722.

My husband and I do not support rezoning the requested land in C14-2024-0111 from Civic to Mixed Use, or GR-MU-V-DB90-NP. This land is next door to a school and close to other community-oriented services. I would like to see this land remaining focused on civic services.

I am writing to submit an official AGAINST, "I Object" to this request.

Thank you,

Cecelia
