

ZONING CHANGE REVIEW SHEET

CASE: C14-2024-0028 – 11708 Pearce Ln Commercial

DISTRICT: 2

ADDRESS: 11708 Pearce Lane

ZONING FROM: DR

TO: CS

SITE AREA: 2.76 acres to be rezoned out of 10.97 acres

PROPERTY OWNER: 11708 Pearce Lane LLC (Caleb Landes)

AGENT: Kimley-Horn and Associates, Inc. (Jonathan Sosebee)

CASE MANAGER: Nancy Estrada (512-974-7617, nancy.estrada@austintexas.gov)

STAFF RECOMMEDATION:

The Staff recommendation is to grant general commercial services (CS) district zoning.
For a summary of the basis of Staff's recommendation, see pages 2.

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:

June 4, 2024: APPROVED CS DISTRICT ZONING AS STAFF RECOMMENDED, BY CONSENT

[A. FLORES; L. STERN – 2ND] (7-0) H. SMITH, D. FOUTS – ABSENT; TWO VACANCIES ON THE DIAS

CITY COUNCIL ACTION:

July 18, 2024:

ORDINANCE NUMBER:

ISSUES: None at this time.

CASE MANAGER COMMENTS:

The subject rezoning area is 2.76 acres and located at the northeast corner of State Highway 130 frontage lanes and Pearce Lane. The subject property is part of a 10.97 acre undeveloped tract that is partially in the City of Austin full-purpose jurisdiction and partially in the ETJ. The 2.76 acres that are in the full-purpose jurisdiction are currently zoned development reserve (DR) district zoning.

There is undeveloped acreage directly to the east as well as a manufactured home park (GR-CO; MH-CO), single family residences on large lots to the south (County) and the northbound frontage lanes of SH 130 to the west. ***Please refer to Exhibits A (Zoning Map) and A-1 (Aerial Exhibit).***

The Applicant is requesting general commercial (CS) district zoning for the 2.76 acres located within the full-purpose jurisdiction in order to be able to develop a convenience store that includes a service station. Access is proposed from both the frontage of SH 130 and Pearce Lane. Access from SH 130 will be coordinated through TxDot. Access from Pearce Lane is within the jurisdiction of Travis County.

Staff is recommending the Applicant's request for CS given its location at the intersection of a State Highway and an arterial roadway, and commercial zoning would enable the provision of goods and services to several single family residential neighborhoods in the vicinity.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

The proposed general commercial services (CS) district zoning is intended for commercial or industrial uses that typically have operating characteristics or traffic service requirements generally incompatible with residential environments.

2. *Zoning should promote the policy of locating retail and more intensive zoning near the intersections of arterial roadways or at the intersections of arterials and collectors.*

Staff is recommending (CS) district zoning for the subject property based on the following considerations: 1) general commercial services (CS) is appropriate due to its frontage on SH 130 and Pearce Lane and its location at an intersection of a major arterial street and collector, 2) commercial uses would be available to serve residents of the adjacent area, and 3) there is existing (GR) located immediately to the east of the property.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	LO-CO-NP; SF-3-NP; SF-2-NP	Undeveloped
<i>North</i>	Austin ETJ	Undeveloped; State Highway 130
<i>South</i>	Austin ETJ	Pearce Lane
<i>East</i>	GR-CO; MH; MH-CO	Undeveloped; Manufactured home park
<i>West</i>	DR	Undeveloped; State Highway 130

Drainage

The developer is required to submit a pre- and post-development drainage analysis at the subdivision and site plan stage of the development process. The City’s Land Development Code and Drainage Criteria Manual require that the Applicant demonstrate through

engineering analysis that the proposed development will have no identifiable adverse impact on surrounding properties.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Onion Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. The site is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Gross Site Area</i>	<i>% of Gross Site Area with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

According to floodplain maps there is a floodplain within or adjacent to the project location. Based upon the location of the floodplain, offsite drainage should be calculated to determine whether a Critical Water Quality Zone exists within the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2-year storm on site. At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

PARD – Planning & Design Review

As of January 1, 2024, new commercial non-residential uses are not subject to parkland dedication requirements at the time of site plan and subdivision.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

There is a site plan currently under review for this property (SP-2024-0067D).

Austin Transportation Department – Engineering Review

The Austin Strategic Mobility Plan (ASMP) calls for 116 feet of right-of-way for Pearce Lane. It is recommended that 58 feet of right-of-way from the existing centerline should be dedicated for Pearce Lane according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

There is a proposed Urban Trail adjacent to this site, along the southern property boundary. An easement may be required.

The adjacent street characteristics table is provided below:

Name	ASMP Classification	ASMP Required ROW	Existing ROW	Existing Pavement	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
Pearce Lane	Level 3 – Collector	116 feet – ETJ Roadway	Approx 125 feet	Approx 58 feet	Along a portion	Yes	Yes
S SH 130 Service Rd	Level 4 – Arterial	TXDOT Roadway (coordinate with TxDOT)	TXDOT Roadway	Approx 35 feet	No	Yes	Yes

A Traffic Impact Analysis is not required.

Austin Water Utility

No comments on zoning change.

The landowner intends to serve the site with existing City of Austin water utilities.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. For more information pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at ser@austintexas.gov.

Austin Fire Department

No comments on zoning change.

**RE: Rezoning Application – 11708 Pearce Ln Commercial
11708 Pearce Ln, Austin, TX 78617, 2.76 acres, TCAD: 297531 (the “Property”)**

Dear Ms. Middleton-Pratt:

On behalf of the Owner of the property referenced above, we respectfully submit the enclosed rezoning application. The subject property is comprised of 10.97 acres, with 2.76 acres located within the Full Purpose jurisdiction of the City of Austin. The Property is located within Council District 2 at the northeast corner of Pearce Ln and SH 130. The Property is not located in a Neighborhood Plan area; therefore, there is no future land use designated on the property.

The Property is currently zoned Development Reserve (DR) and the proposed zoning is Commercial Services (CS). The Property is located at the corner of the intersection of Pearce Ln and a major highway, SH 130, where CS zoning will permit land uses that serve nearby residents as well as travelers along SH 130. The proposed use is for a convenience store and fuel sales.

Thank you for your time and attention to this project. Please do not hesitate to contact me if you have any questions.

Sincerely,

Jonathan Sosebee, AICP
