### Additional Backup Information:

If approved, this item will disannex approximately 0.172 acres within District 10 in Austin. The subject properties are located on the east side of Robbins Road, adjacent to Lake Austin, within the City's full purpose and limited purpose jurisdictions.

Texas Senate Bill 1844, which amended Texas Local Government Code Sec. 43.141 and took effect September 1, 2025, allows a majority of the property owners of an area to petition the governing body of the municipality to disannex the area if the area is located adjacent to a navigable waterway and the municipality has not connected the majority of the properties in the area covered by the petition, regardless of whether the area was annexed by the municipality, to the municipality's water and wastewater systems, if any other area in the municipality is connected to the municipality's water and wastewater systems.

On January 23, 2026, the City Clerk received a petition for the disannexation of two properties located at 3603 and 3605 Robbins Road. City staff has reviewed the petition and has determined its validity under the requirements of state law.
