### Additional Backup Information:

If approved, this item will disannex approximately 2.65 acres within District 10 in Austin. The four subject properties are located on the northwest side of Manana Street, adjacent to Lake Austin, with portions in the City's full purpose jurisdiction.

Texas Senate Bill 1844, which amended Texas Local Government Code Section 43.141 and took effect September 1, 2025, allows a majority of the property owners of an area to petition the governing body of the municipality to disannex the area if the area is located adjacent to a navigable waterway and the municipality has not connected the majority of the properties in the area covered by the petition, regardless of whether the area was annexed by the municipality, to the municipality's water and wastewater systems, if any other area in the municipality is connected to the municipality's water and wastewater systems.

On January 29, 2026, the City Clerk received a petition for the disannexation of four properties located at 1928, 2000, 2100, and 2106 Manana Street. City staff has reviewed the petition and has determined its validity under the requirements of state law.
