ORDINANCE NUMBER:

DEPARTMENT COMMENTS:

In this case, the applicant is requesting to amend a public restrictive covenant that was recorded in 1984 in association with zoning case C14-84-022. The applicant is asking to amend to this restrictive covenant that applies to Tract 7 to remove the thirty (30) units per acre maximum since it is higher than the existing eighteen (18) units per acre maximum stipulated by the conditional overlay in zoning Ordinance No. 20080131-101 for this property (*please see Applicant's Request Letter - Exhibit C and Original Restrictive Covenant – Exhibit D*).

The staff recommends the applicant's request to amend the conditions of this public restrictive covenant because the property in question is currently developed with a 307-unit multifamily project, which has a density of eighteen (18) units per acre. As the units per acre limit is more restrictive in the current zoning ordinance, Ordinance No. 20080131-101, there is no need to maintain the less restrictive condition in the public restrictive covenant from 1984.

The applicant agrees with the staff's recommendation.

Re: Restrictive Covenant Amendment – Approximately 17.078-acre tract located at 5701 Diehl Trail in the City of Austin (“City”), Travis County, Texas (“Property”)

Dear Ms. Harden:

As representatives of the owner of the above-stated Property, DK RIATA LLC (“Applicant”), we respectfully submit the enclosed Restrictive Covenant Amendment Application and submittal package. The Property is subject to the City Public Restrictive Covenant recorded in Volume 9775, Page 543 of the Travis County Real Property Records (“City Restrictive Covenant”), which restricts residential development to a maximum of thirty (30) units per acre. A copy is enclosed for your review. The Property is currently developed as a 307 unit multifamily project, which has a density of eighteen (18) units per acre. Since the existing multifamily project is eighteen (18) units per acre, which is less than the thirty (30) units per acre maximum in the City Restrictive Covenant, we respectfully request an amendment to delete the thirty units (30) per acre maximum.

The City Restrictive Covenant was part of a rezoning request in 1984, City File Number C14-84-022. At that time, the City Code did not have a provision that allowed the inclusion of a Conditional Overlay (“CO”) in a zoning Ordinance to restrict certain site development regulations, such as, maximum density. Since CO’s were not an option, the City required public Restrictive Covenants.

Subsequent to the recordation of the City Restrictive Covenant in 1984, in 2008 the Property was rezoned as MF-4-CO, Ordinance No, 20080131-101 (“Zoning Ordinance.”) A copy is enclosed for your review. The Zoning Ordinance includes a CO that restricts the maximum density to eighteen (18) units per acre. The Applicant is requesting an amendment to the City Restrictive Covenant to remove the thirty (30) units per acre maximum since it is higher than the existing eighteen (18) units per acre maximum in the CO in the Zoning Ordinance and as the Property is developed today.

Please let me know if you have any questions or need additional information. Thank you for your time and assistance with this request and I look forward to working with you and your team.

Respectfully,

Michele Haussmann

**ORDINANCE NO. 20080131-101**

**AN ORDINANCE REZONING AND CHANGING THE ZONING MAP FOR THE PROPERTY LOCATED AT 5701-5725 DIEHL TRAIL FROM GENERAL OFFICE-MIXED USE-CONDITIONAL OVERLAY (GO-MU-CO) COMBINING DISTRICT TO MULTIFAMILY RESIDENCE MODERATE HIGH DENSITY-CONDITIONAL OVERLAY (MF-4-CO) COMBINING DISTRICT.**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

**PART 1.** The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from general office-mixed use-conditional overlay (GO-MU-CO) combining district to multifamily residence moderate high density-conditional overlay (MF-4-CO) combining district on the property described in Zoning Case No. C14-2007-0211, on file at the Neighborhood Planning and Zoning Department, as follows:

Lots 1 and 2, Milwood Section 19 Subdivision, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 85, Pages 55A-55B of the Plat Records of Travis County, Texas (the "Property"),

locally known as 5701-5725 Diehl Trail, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit "A".

**PART 2.** The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

- A. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively with all existing or previously authorized development and uses, generate traffic that exceeds 2,260 trips per day.
- B. The maximum density on the Property is 18 dwelling units per acre.
- C. A 25-foot wide vegetative buffer shall be provided and maintained along the property lines that run adjacent to the existing single family residential uses to the north, west, and east of the Property. Improvements permitted within the buffer zone are limited to fencing, drainage, underground utility improvements or those improvements that may be otherwise required by the City of Austin or specifically authorized in this ordinance.

D. Trees provided and maintained for screening within the vegetative buffer shall have a minimum height of 12 feet and shall be planted along the north, west, and east property lines, adjacent to a seven foot high solid fence to be provided and maintained along the same property lines.

E. No building coverage is allowed within the portion of the Property identified as a 0.062 acre tract of land more particularly described by metes and bounds on the attached Exhibit "B".

Except as specifically restricted under this ordinance, the Property may be developed and used in accordance with the regulations established for the multifamily residence moderate high density (MF-4) base district, and other applicable requirements of the City Code.

**PART 3.** This ordinance takes effect on February 11, 2008.
