Good afternoon, Nancy.

It is our understanding that the subsequent City Council Meeting is scheduled for Thursday, August 27, 2026. We request a postponement to that date and hope that allows us sufficient time to meet with Council Member Fuentes.

Thank you for your time and consideration. Ana

Good afternoon, Nancy.

The Southeast Combined Neighborhood Plan Contact Team met this past Monday, July 13, 2026, to discuss the notices received regarding the 4302

Nuckols Crossing Cases scheduled to be heard before the city Council on Thursday, July 23, 2026. We are formally requesting a postponement on both cases. Ms. Sofia Morales, Director of Policy with Council Member Fuentes Office is also copied in this email.

Please postpone the July 23 Council action — 4302 Nuckols Crossing (C14-2025-0065 / NPA-2023-0014.04)

After the Planning Commission's June 23 hearing, we are writing on behalf of the Southeast Combined Neighborhood Plan Contact Team and are formally asserting the Contact Team's postponement of these cases before it reaches Council on July 23.

We're also asking Council Member Fuentes give us a short meeting before any vote to walk through our concerns.

Please let me know if you need anything from me regarding this request and when we can expect a response. Thank you for your time and consideration.

Respectfully submitted,
Immediate Past Chair
