That is agreeable and I am glad there will be time to hash out the remaining things.

Thank you all,

Good morning,

We will not oppose a postponement to the 10/10/2024 City Council agenda. Please let us know if that is agreeable.

Good morning Joi and Nancy,

BASTA is supporting a tenants association at 1500 & 1600 Royal Crest.in securing improvements and a restrictive covenant with the applicant. The restrictive covenant is not yet executed and some of the committed-to improvements have not yet been realized.

We are therefore requesting a neighborhood postponement of this item of a month so that the tenants can ensure that the applicant is following through on its commitments..

It is my understanding that the applicant will contest any postponement (either two

weeks or a month). Amanda, if this is not the case, please let us know in order to save all involved needless time and energy.

Thank you so much.
