CASE: C14-93-0047(RCA) - 1116 & 1120 W. Howard Lane RCA DISTRICT: 7

ADDRESS: 1116 West Howard Lane and 1120 & 1120 1/2 West Howard Lane

OWNER/APPLICANT: Howard Route Center, Ltd., Barr Properties Ventures, LLC,
C&T Shops on Howard Lane, Ltd.

AGENT: Drenner Group, PC (Amanda Swor)

ZONING: CS-CO, GR-CO

REQUEST:

The applicant is proposing to amend a previously approved public restrictive covenant to remove Lot 6A and to update the legal description of the remaining lots, 3-A-B, 4-A and 5-A, subject to the original RC, to include all of current Lot 3-A-B. This will allow Lot 3-A-B to remain in compliance with impervious cover requirements as Lots 3-A-B, 4-A, and 5-A will be construed as a “single site” going forward.

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMENDATION:

Staff recommends the proposed amendment to the public restrictive covenant.

ORDINANCE NUMBER:

ISSUES:

After discussions with the Austin Law Department, the applicant has decided to proceed with an amendment to the public restrictive covenant to only remove Lot 6-A (*please see the Updated Case Map - Exhibit E*). The other conditions and legal descriptions from the original covenant will not change through this RCA request.

DEPARTMENT COMMENTS:

In this case, the applicant is requesting to amend a public restrictive covenant that was recorded in 1994 in association with zoning case C14-93-0047. The applicant is asking to remove Lot 6-A from the restrictive covenant. The remaining lots, Lots 3-A-B, 4-A and 5-A, are still subject to the existing covenant with updated/corrected legal descriptions of those remaining lots as they have since been replatted.

The representatives for this case have revised their application from the original restrictive covenant termination request to a restrictive covenant amendment request. The proposed RCA is intended to resolve impervious cover comments from the Environmental staff. It was determined during review of this application that Lot 3-A-B as currently developed has more than 80% impervious cover and if the original restrictive covenant is terminated it will be out of compliance with city code. Therefore, Lot 3AB will now remain subject to the restrictive covenant and be construed as a single site along with Lots 4A and 5A, while separating Lot 6A, as it has a different owner. Since the filing date of that original Restrictive Covenant, the property has been replatted twice and amended such that it is now platted as four lots, Lots 3-A-B, 4-A, 5-A, and 6-A, and Lot 3-A-B includes additional property that was not part of the original restrictive covenant. In addition, Lot 6-A was subsequently sold to a separate entity and is part of a separate development (*please see Applicant's Request Letter - Exhibit C and Proposed Redlined Original Restrictive Covenant – Exhibit D*).

The staff recommends the applicant's request to amend the conditions of this public

Re: 1116 & 1120 West Howard Lane RCT – Amended request for the Restrictive Covenant Termination application, case number C14-93-0047(RCT), for the approximately 13.927-acre property located at 1116 & 1120 West Howard Lane in Austin, Travis County, Texas 78753 (the “Property”)

Dear Ms. Middleton-Pratt:

As representatives of the owners of the Property, we respectfully request to amend the aforementioned Restrictive Covenant Termination (“RCT”) application package. The project case is under review by City staff per City of Austin case number C14-93-0047(RCT) and was originally submitted on December 17, 2024. This application accompanies a rezoning application for that certain 13.527-acre portion of the Property titled 1120 West Howard Lane, City of Austin case number C14-2024-0183.

The purpose of the initial RCT request was to terminate that certain Restrictive Covenant for zoning case number C14-93-0047, dated October 19, 1993, recorded in Volume 12123, Page 45 of the Real Property Records of Travis County, Texas (the “Original RC”). This Original RC requires that Lots 3, 4, and 5, ROUTE SUBDIVISION be construed as a single site for the purposes of site plan review, modification, or approval. The terms of this Original RC are no longer feasibly applicable. Since the filing date of that original Restrictive Covenant, the property has been replatted twice and amended such that it is now platted as four lots, Lots 3-A-B, 4-A, 5-A, and 6-A, and Lot 3-A-B includes additional property that was not included in the Original RC. In addition, Lot 6-A was subsequently sold to a separate entity and is part of a separate development.

In the process of clearing comments from City reviewers, it was determined during review that Lot 3-A-B as currently developed has more than 80% impervious cover, and therefore, if the Original RC is terminated, it will be out of compliance with City Code. As such, we are now requesting to change our RCT application to a Restrictive Covenant Amendment application (the “RCA”) to remove Lot 6A and to update the legal description of the remaining lots, 3-A-B, 4-A and 5-A, subject to the Original RC, to include all of current Lot 3-A-B. This will allow Lot 3-A-B to remain in compliance with impervious cover requirements as Lots 3-A-B, 4-A, and 5-A will be construed as a “single site” going forward.

We are including a revised RCA application form with this request letter. The RCA is for the entire Property and is authorized by all current owners of the Property subject to the Original RC.
