

RECOMMENDATION TO COUNCIL

Electrical Board

Recommendation Number: 20260121-7: 2026 National Electrical Code

**Date of Approval: January 21, 2026**

**Recommendation:**

In a unanimous vote, Chairman Johnson, entertained a motion to the floor to approve the 2026 National Electrical Code ordinance as presented by Commercial Building Inspection supervisor Marty Starrett. Board member Goss made a motion to approve, Vice Chair Flores second the motion. Motion passed 6-0

**Description of Recommendation to Council:**

The Electrical Board recommends adopting the 2026 National Electrical Code, which provides a national standard for electrical installations for residential, commercial, institutional and industrial buildings and structures. The proposed ordinance establishes amendments to address local installations, and to comply with the State Electrical law and the State's adopted National Electrical Code.

**Rationale:**

The Board consists of stakeholders and business owners in the community and believes the 2026 National Electrical Code continues to provide safety standards and guidelines for all electrical installations
