RE: Zoning Case No. C14-2020-0143, 12121 N. IH 35 SVRD NB; Owner: Dupius Investments, Ltd.
– Daniel McCormack, (832) 651-7402; Applicant: Husch Blackwell LLP, Racy Haddad (512)

TO WHOM IT MAY CONCERN:

Please consider this letter as notice of The Springs of Walnut Creek Homeowners Association, Inc. (the "Association"), and the other affected homeowners whose signatures are attached hereto (the "Homeowners"), of their withdrawal of the valid petition previously filed with the City of Austin in opposition of Zoning Case No. C14-2020-0143. The Association and Dupius Investments, Ltd. (the "Owner") have reached a negotiated settlement, resolving the concerns underlying the Association and the Homeowners' valid petition.

As such, the Association, on behalf of itself and the Homeowners, hereby submits the attached signatures of the owners of a total of 19.77% of the land within 200 feet of the subject property located at 12121 N. IH SVRD NB. Our valid petition challenging the referenced zoning case included signatures of the owners of a total of 34.63% of the land within 200 feet of the subject property. The Association and the Homeowners' withdrawal reduces the percentage of the owners of land within 200 feet of the subject property joining in the valid petition by 19.77%. As a result, the petition does not meet the requirements for a valid petition because it no longer contains the signatures of the owners of at least 20% of the land within 200 feet of the subject property.

Please be advised that based upon the foregoing, this letter serves to inform you and member of City Council that the Association is hereby in full support of the rezoning of the property that is the subject of the zoning case referenced herein.

Sincerely,

Michael Simpson
