

MPT FUENTES' MOTION SHEET

Direction to **Item No. 4**

Motion #1:

I move to direct the City Manager to exempt existing Austin Travis County Mental Health Mental Retardation Center d/b/a Integral Care social service contracts from the proposed 10% reduction to social service contracts for Fiscal Year 2025- 2026. Furthermore, the City Manager is directed to explore combining all Integral Care social service contracts into an Interlocal Agreement.

Rationale:

As the Travis County Local Mental Health Authority, Integral Care provides critical mental health services, crises support, and homelessness response in the City of Austin. Without fully funded support, Integral Care faces the possibility of staff reductions compromising the City's ability to deliver effective and compassionate life-saving services and public safety.
