Good morning Joi, Jonathan, and Maureen:

On behalf of the applicant, by this email I am requesting postponement of NPA-2023-0013.01 (Agenda Item 78) and C14-2023-0021 (Agenda Item 79) to the Council's September 26th meeting. The neighborhood has been working with us toward a hopeful compromise on these cases, and I need additional time to provide some updated information to them. The neighborhood supports this postponement request (and Jody Zemel is copied here).

Please let me know if you have any questions.
