CASE MANAGER COMMENTS:

The property in question is a 6.62 acre vacant tract of land that takes access to Zimmerman Lane. The area to the north, across Zimmerman Lane, is developed with a single-family residence zoned DR. To the south there is an apartment complex that was zoned PUD as part of the Four Points Centre Planned Unit Development that takes access to North FM 620 Road. To the east, there are single family residences along the southern side of Zimmerman Lane and townhouse/condominium residences along the northern side of Zimmerman Lane that are zoned SF-6-CO. Toward the terminus of Zimmerman Lane, there is a single-family residence zoned DR and an undeveloped area zoned SF-1. The property to the west, is zoned MF-2 and is undeveloped. There is also undeveloped land on the northern side of Zimmerman Lane zoned MF-2-CO. The lot at the northeast corner of N. FM 620 Road, is developed with a convenience storage/vehicle storage use (Longhorn Boat & Camper Storage) zoned SF-2 that was constructed prior to annexation by the city. In addition, the lot at the southeast corner of Zimmerman Lane and N. FM 620 Road, is developed with a service station (Shell) and a restaurant use (Rudy's Country Store and Bar-B-Que).

The applicant in this case is requesting to rezone this site from DR zoning to SF-6 zoning to develop the property for single-family/condominium use. This tract of land fronts onto Zimmerman Lane, a twenty foot wide collector street that dead ends into a cul-de-sac. Originally, Zimmerman Lane was projected to connect with Forsythia Drive, to the east, as part of the Arterial 8 extension. Arterial 8 (Forsythia Drive) was planned to be a ninety-foot arterial roadway that was to connect Loop 360 to Yaupon Drive. The City of Austin deleted the plans to construct Arterial 8, due in part to BCCP issues and because of the City's purchase of the Stennis Tract. Zimmerman Lane is a county roadway that was annexed by the city of Austin in 1997. There are no planned improvements for this portion of Zimmerman Lane and there will not be a traffic light constructed at the intersection of Zimmerman Lane and F.M. 620 because there is already a light at the intersection of Parke Drive and F.M. 620, to the north. Parke Drive and Zimmerman Lane will not be aligned in the future.

The staff recommends SF-6 zoning for the property in question because the proposed SF-6 zoning is consistent with the previous City Council approved SF-6-CO zoning along Zimmerman Lane to the east. There are existing single-family homes and townhomes located to the east of this site. While there is undeveloped MF-2 zoning to the west of this tract, that takes access to FM 620 Road. In addition, the multifamily complex to the south (Elwood at Lake Travis) that is zoned MF-2 and PUD also takes access to FM 620 Road, not Zimmerman Lane. SF-6 zoning will permit the addition of moderate density residential units on this 20-25 foot wide/Level 2 designated roadway.

BASIS OF RECOMMENDATION:

1. The proposed zoning should be consistent with the purpose statement of the district sought.

Townhouse and Condominium Residence district is intended as an area for moderate density single family, duplex, two family, townhouse, and condominium use, without the spacing and locational requirements for townhouses and condominiums that apply in SF-5. This district is appropriate for areas in which unusually large lots predominate with access to other than minor residential streets, and in selected areas where a transition from single-family to multifamily use is appropriate.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed SF-6 zoning would be consistent with the SF-6-CO zoning located to the east along Zimmerman Lane and the existing single-family homes and townhomes located directly to the east of this site.

3. *The proposed zoning should allow for a reasonable use of the property.*

SF-6 zoning will permit the addition of moderate density residential units on this 20-25 foot wide roadway. The proposed SF-6 zoning will allow for new housing opportunities in this area of the city near an educational institution, Concordia University, which is located on FM 620 to the north and supporting retail services, Four Points Centre, to the south.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	DR	Vacant
<i>North</i>	DR	Single-Family Residence
<i>South</i>	PUD	Multifamily (Ellwood at Lake Travis)
<i>East</i>	SF-6-CO, SF-2	Single-Family Residences
<i>West</i>	MF-2	Undeveloped

### Environmental

The site is located over the Edwards Aquifer Recharge Zone.

This site is in the Bull Creek Watershed of the Colorado River Basin, which is classified as a Water Supply Suburban Watershed by Chapter 25-8 of the City's Land Development Code. This portion is in the Drinking Water Protection Zone, which is not included in the Desired Development zone.

Under the current watershed regulations, development or redevelopment on the Water Supply Suburban portion of this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% NSA with Transfers</i>
One or Two Family Residential	30%	40%
Multifamily Residential	40%	55%
Commercial	40%	55%

Development within a Water Quality Transition Zone is limited to 18%.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

### Fire

No comments.

### Parks and Recreation

Parkland dedication will be required at the time of subdivision or site plan application for new residential units, per City Code § 25-1-601, as amended. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the

surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-609, as amended.

Note that residential units that are certified affordable and income-restricted are exempt from the parkland dedication requirements per City Code § 25-1-601(D)(4).

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: [ann.desanctis@austintexas.gov](mailto:ann.desanctis@austintexas.gov). At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

### Site Plan

Site plans will be required for any new development other residential only project with up to 4 units.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

### Transportation

The Austin Strategic Mobility Plan (ASMP) calls for 80 feet of right-of-way for Zimmerman Ln. It is recommended that 40 feet of right-of-way from the existing centerline should be dedicated according to the ASMP with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

The adjacent street characteristics table is provided below:

### Water Utility

No comments on zoning change.

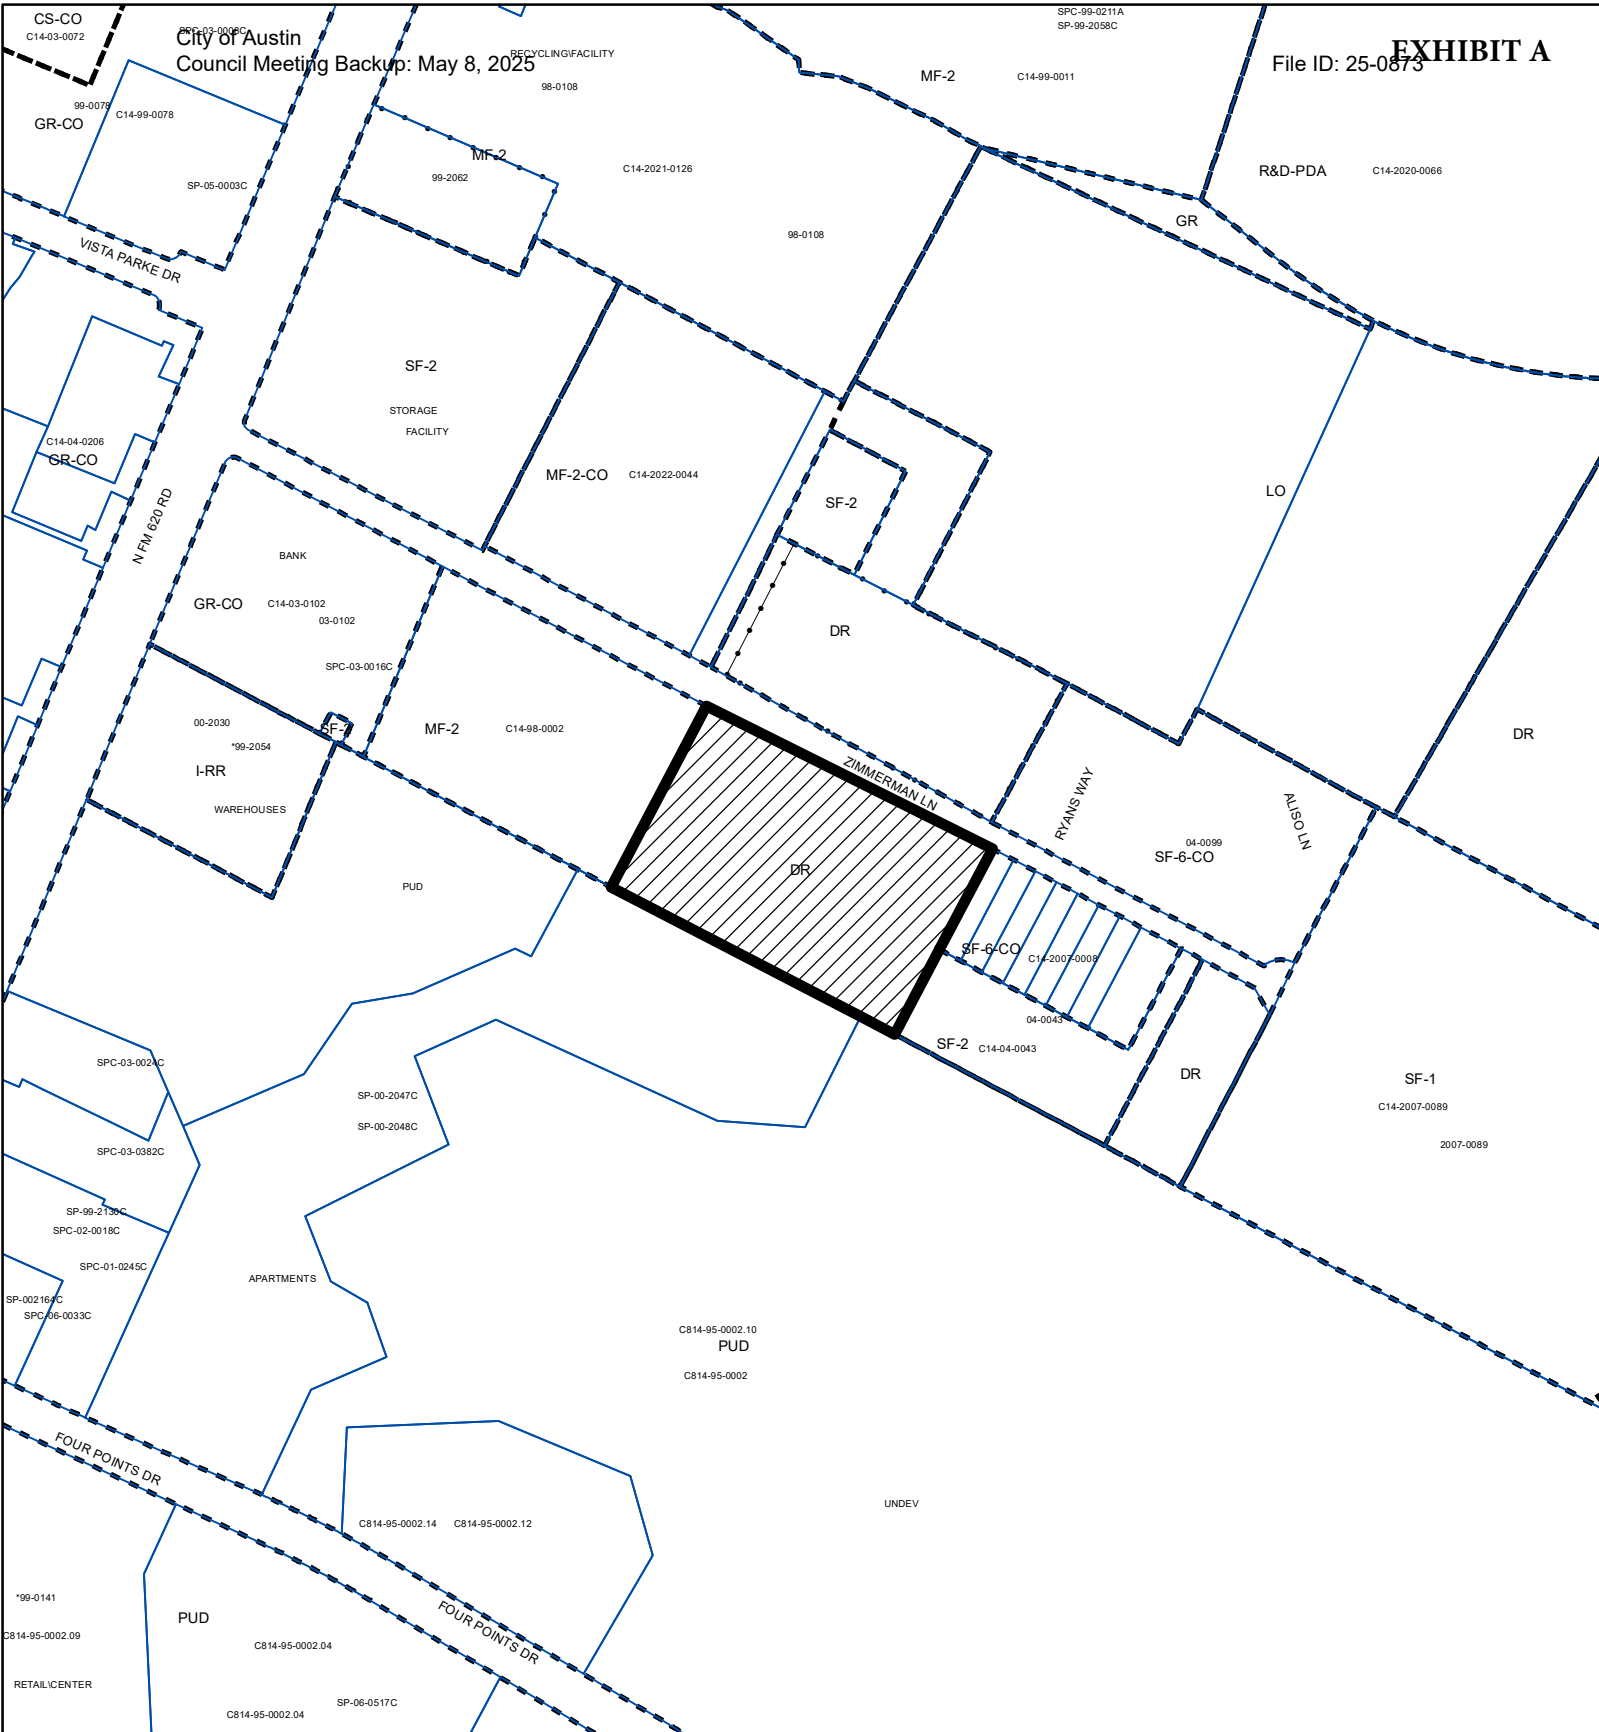

FYI: The landowner intends to serve the site with existing City of Austin water utilities.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the

City of Austin. For more information pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at [ser@austintexas.gov](mailto:ser@austintexas.gov).

Re: Revised Rezoning application- 11301 Zimmerman Lane, Austin, Texas 78726 -  
Zimmerman SF South (“**Property**”)

Dear Ms. Harden:

As the authorized agent of the owners, Barbara Ellen Agnew and Brian Matthew Smith individually and collectively (“**Owner**”), I am submitting this zoning application to rezone the 6.62 acre Property from “DR” Development Reserve to “SF-6” Townhouse & Condominium Residence order to develop the Property for single-family/condominium use.

The Property is not within a neighborhood plan. “DR” zoning is north of Zimmerman Lane which is also proposed to be rezoned to “SF-6” under a separate zoning application (11300 Zimmerman Lane) which we have also filed. “SF-2” zoning is adjacent to the Property on the east, developed with single-family residences adjacent to a conservation lot; “MF-2” zoning along the west developed with apartments and “PUD” zoning along the southern Property boundary which is undeveloped.

We have been in contact with the representative of the HOA from the Woods at Four Points neighborhood adjacent to the 11300 Zimmerman property directly north of this Property.

We look forward to working with you on this zoning application.

Sincerely,

A handwritten signature in blue ink that reads 'Pal Mad'.

## PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to participate in a public hearing, you are not required to participate. This meeting will be conducted both online and in-person at which you will have the opportunity to speak FOR or AGAINST the proposed development or change. Contact the case manager for further information on how to participate in the public hearings. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

**Staff is conducting a pilot program to receive case-related comments online which can be accessed through this link or QR code:**  
<https://bit.ly/ATXZoningComment>

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: [www.austintexas.gov/planning](http://www.austintexas.gov/planning).

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice. Correspondence and information submitted to the City of Austin are subject to the Texas Public Information Act (Chapter 552) and will be published online.
