Additional Backup Information:

If approved, this item will disannex approximately 1.31 acres within District 8 in Austin. The subject property is located adjacent to Lake Austin on the north and south sides of Rockcliff Road, within the City's full and limited purpose jurisdictions.

Texas Senate Bill 1844, which amended Texas Local Government Code Section 43.141 (Disannexation for Failure to Provide Services) and took effect September 1, 2025, allows a majority of the property owners of an area to petition the governing body of the municipality to disannex the area if the area is located adjacent to a navigable waterway and the municipality has not connected the majority of the properties in the area covered by the petition, regardless of whether the area was annexed by the municipality, to the municipality's water and wastewater systems, if any other area in the municipality is connected to the municipality's water and wastewater systems.

On June 26, 2026, the City Clerk received a petition for the disannexation of the property located at 1408 Rockcliff Road. City staff has reviewed the amended petition and has determined its validity under the requirements of state law.
