### **Additional Backup Information:**

Austin Animal Services has provided animal services throughout the unincorporated areas of Travis County (County) through various agreements since 1985. City and County staff worked together for several years in an effort to consolidate the patchwork of agreements and amendments for these services, resulting in an interlocal agreement (ILA) that was approved by the County Commissioners Court and City Council on September 27, 2007, and October 18, 2007, respectively. This original ILA was renewed several times.

Today's action authorizes a three-month amendment to the ILA. If approved, the amendment will be effective beginning February 1, 2026, and end on April 30, 2026.

Pursuant to this ILA, Austin Animal Services will continue to provide animal protection, shelter services, wildlife mitigation services, and public education to Travis County residents.
