

# City of Austin

## Recommendation for Action

---

**File #:** 25-1640, **Agenda Item #:** 8.

9/11/2025

---

### **Posting Language**

Authorize negotiation and execution of an interlocal agreement with the Capital Area Council of Governments authorizing the City to maintain and update the Capital Area Emergency Communications District's 9-1-1 Geographic Information System database for Fiscal Year 2025-2026. Funding: \$650,995.12 in estimated revenue for the Operating Budget for Communication and Technology Management.

### **Lead Department**

Communications and Technology Management

### **Fiscal Note**

Estimated revenue from the Capital Area Council of Governments in the amount of \$650,995.12 for the Fiscal Year 2025-2026 Operating Budget of Communication and Technology Management.

### **For More Information:**

Chandra Marler, IT Manager, 512-974-0979.

### **Additional Backup Information:**

The City and the Capital Area Council of Governments (CAPCOG) have been collaborating on the 9-1-1 Geographic Information System (GIS) data for the City and its transition to Next Generation 9-1-1 emergency communications.

CAPCOG will provide funding and oversee the quality control of GIS data. Pursuant to Chapter 791 of the Texas Government Code, this 1-year interlocal agreement with CAPCOG authorizes the City to maintain and update the CAPCOG 9-1-1 GIS database during the period of October 1, 2025 to September 20, 2026, and to be compensated for such work.
