Interests & Experiences

Please tell us about yourself and why you want to serve on a board or commission

Sarah M Ivory

Why are you interested in serving on a board or commission?

Our city is in an increasingly precarious situation in terms of education, human rights, and basic fiscal decision making. The region of Austin that my family has lived in for the past 10 years is chronically underserved, under resourced, and without vocal represented. I want to ensure that our community has a voice and is recognized for the diversity and value we bring.
