

MEMORANDUM

TO: Mayor and Council Members

FROM: Anthony Segura, Interim Director
Economic Development Department

DATE: June 2, 2025

SUBJECT: Staff Withdrawal Request for Item #23 – Approve a resolution to authorize the Circuit Events Local Organizing Committee to act on behalf of the City

The June 5th City Council agenda includes Item #23, which seeks to approve a resolution authorizing the Circuit Events Local Organizing Committee to act on behalf of the City for the Texas Major Events Reimbursement Program (MERP). This includes conducting economic studies, submitting applications, and providing any required funding to the Office of the Governor in support of the FIA World Endurance Championship events at Circuit of the Americas.

This item is being withdrawn because the MERP legislation related to the World Endurance Championship was not approved during the 2025 Legislative Session.
