CITY OF AUSTIN EXTERNAL AUDIT PRESENTATION

Marija Norton | City Controller

ANNUAL COMPREHENSIVE FINANCIAL REPORT (ACFR)

- Annual Comprehensive Financial Report (ACFR)
- Issued March 11, 2025
- <https://www.austintexas.gov/sites/default/files/files/Finance/Financial%20Transparency/CAFR/FY2024-City-of-Austin-ACFR.pdf>

FINANCIAL AUDIT REQUIREMENTS

FINANCIAL SERVICES
DEPARTMENT

City Charter (Article VII-16) requires an independent audit by a certified public accountant (CPA) at the close of each fiscal year. The CPA shall be independent from the City or any of its officers. Upon completion, the results shall be published immediately.

Financial policies (Accounting, Auditing, and Financial Planning #3) requires an annual audit by an independent CPA firm and issuance of the ACFR no later than 6 months following fiscal year-end.

Financial policies (Accounting, Auditing, and Financial Planning #4) requires presentation to the Audit and Finance Committee of the results of the annual audit by the CPA firm no later than 60 days following the issuance of the ACFR.

Debt agreements, including bonds and loans, also often require an independent audit.

SINGLE AUDIT

- Issued March 28, 2025
- <https://www.austintexas.gov/sites/default/files/files/FY24-Single-Audit-Report.pdf>

SINGLE AUDIT REQUIREMENTS

Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (OMB Uniform Guidance) requires an audit of an entity that expends \$1,000,000 or more in federal grants or assistance annually. In addition to auditing financial data, the Single Audit focuses on compliance with grant requirements. This audit must be completed within 9 months of the end of the fiscal year.

Texas Grant Management Standards (TxGMS) requires a similar process as the OMB Uniform Guidance for federal grants/assistance for entities that expend \$1,000,000 or more in state grants or assistance annually.

THANK YOU!!

- Mayor and Council Members, for your continued support of the City's goal of excellence in all aspects of financial management
- City Manager and his Executive team, Chief Financial Officer, and Department Directors, for your support of the Controller's team and support of excellence in financial management
- City staff, especially the FSD-Accounting & Reporting team for their many hours of dedicated service toward completion of these reports
- Deloitte, for the professional and thorough manner in which they conducted these audits

April 8, 2025

Audit and Finance Committee of the City of Austin
301 W. Second Street
Austin, Texas, 78701

Dear Audit and Finance Committee:

We have performed an audit of the financial statements of the City of Austin, Texas (the “City”) as of and for the year ended September 30, 2024 (the “financial statements”), in accordance with auditing standards generally accepted in the United States of America (“generally accepted auditing standards”) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*) and have issued our reports thereon dated March 11, 2025.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the City is responsible.

This report is intended solely for the information and use of management, the Audit and Finance Committee, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the opportunity to serve the City and hope the accompanying information will be useful to you.

Yours truly,

A handwritten signature in black ink that reads "Deloitte & Touche LLP". The signature is written in a cursive, flowing style.

cc: The Management of the City of Austin, Texas

Executive Summary

Significant Risks and Audit Updates

- Preliminary significant risks
 - Management override of controls

Audit Status

- Our audits are complete with no outstanding matters to report: City's Annual Comprehensive Financial Report and federal and state Single Audits
- The Passenger Facility Charges compliance audit is ongoing as of April 8, 2025
- No significant deficiencies and one material weakness identified in internal controls over financial reporting related to other postemployment benefits (See Control-Related Matters)

Key Highlights

- Implementation of Governmental Accounting Standards Board Implementation Guide No. 2021-1, *Implementation Guidance Update–2021* – no material impact

Independence & Our Responsibility under Generally Accepted Auditing Standards

We hereby confirm that as of April 8, 2025, we are an independent public accounting firm with respect to the City of Austin within the requirements of the standards of the American Institute of Certified Public Accountants and the Government Accountability Office.

Our responsibility under generally accepted auditing standards has been described in our engagement letter dated June 21, 2024. As described in that letter, our responsibilities under generally accepted auditing standards include forming and expressing an opinion about whether the financial statements that have been prepared by management with the oversight of Audit and Finance Committee are prepared, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“generally accepted accounting principles”). The audit of the financial statements does not relieve management or the Audit and Finance Committee of their responsibilities. We considered internal control over financial reporting in order to design audit procedures that were appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City’s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City’s internal control over financial reporting.

See further details of our responsibilities in **Appendix A**.

Significant Accounting Policies and Practices and Accounting Estimates

Significant Accounting Policies

The City's significant accounting policies are set forth in Note 1 to the City's 2024 financial statements. We are aware of the following change in previously adopted significant accounting policies or their application during the year ended September 30, 2024: the adoption of GASB Implementation Guide No. 2021-1. The impact of the adoption of the implementation guide is outlined in Note 1 to the basic financial statements.

- We have evaluated the significant qualitative aspects of the City's accounting practices, including accounting policies, accounting estimates and financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are ordinarily based on knowledge and experience about past and current events and on assumptions about future events. Our assessment of the significant qualitative aspects of the City's particularly sensitive accounting estimates has been attached to this report as **Appendix B** and summarized below:

- Other postemployment benefits, pension liabilities and related balances
- Asset retirement obligations –environmental liabilities
- Deferred amounts related to regulated operations

Summary of Identified Misstatements

Our audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Uncorrected misstatements or matters underlying these uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if we have concluded that the uncorrected misstatements are immaterial to the financial statements for the year ended September 30, 2024.

Uncorrected Misstatements

We have attached to this report, as part of **Appendix C**, a summary of uncorrected misstatements that we presented to management during the current audit engagement that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Corrected Misstatements

The material misstatements shown in **Appendix E** were brought to the attention of management as a result of our audit procedures and were corrected by management during the current period.

Disclosure Misstatements

We identified certain disclosures that, although required by GAAP, have been omitted from the financial statements. Management determined this omitted disclosure to be immaterial to the financial statements taken as a whole.

Footnote number/title	Description of omitted or unclear disclosure	Authoritative Literature Reference	Dollar Amount Omitted or Unclear
21. Restatements	Failure to disclose error correction and associated restatement of Discretely Presented Component Unit beginning net position for the removal of Creekside Senior Housing Limited Partnership	GASB 100	\$4.2M

Control-Related Matters

We have issued a separate report on internal controls over financial reporting and on compliance based on an audit of financial statements performed in accordance with *Government Auditing Standards*. For the purpose of this report, our consideration of internal control was for the limited purpose to design the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Our consideration of internal control was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified.

We have identified certain matters involving the City's internal control over financial reporting that we consider to be a material weakness under generally accepted auditing standards. These matters are consistent with what was reported in the separate report on internal controls over financial reporting and on compliance referenced above.

Although we have included management's written response to our comments, such responses have not been subjected to the auditing procedures applied in our audit of the financial statements and, accordingly, we do not express an opinion or provide any form of assurance on the appropriateness of the responses, or the effectiveness of any corrective actions described therein.

The definitions of a deficiency, a material weakness, and a significant deficiency are also set forth in **Appendix D**.

Control-Related Matters

We consider the following deficiency in the City’s internal control over financial reporting to be a material weakness as of September 30, 2024:

Finding 2024-001: Material Weakness in Internal Control over Financial Reporting – Review of Other Postemployment Benefits (OPEB) Actuarial Valuation

Condition: During the Plan’s open enrollment in November 2023, The City of Austin (the “City”) began offering a Medicare Advantage (“MA”) plan option to its Medicare-eligible retiree population, effective January 1, 2024. MA plans are rated to eliminate cost differences due to age, and the City’s contributions towards MA plan premiums are much lower than contributions toward other Plan premiums. Given the cost-saving impact, a significant portion of Plan members enrolled in this option. However, the actuarial valuation of the OPEB liability as of September 30, 2024, determined at the measurement date of December 31, 2023, did not incorporate the impact of the addition of those retirees that opted into the MA plan in accordance with the provisions of GASB Statement No. 75.

Cause: Management did not identify the exclusion of the MA option during their review of their third-party prepared actuarial OPEB valuation supporting the September 30, 2024 OPEB liability.

Effect: The OPEB valuation was subsequently updated to reflect the addition of the MA option, which resulted in the following impact to the financial statements:

Financial Statement Line Item	Debit	Credit
OPEB Liability	\$766,669,277	
OPEB Expense		(\$718,876,589)
OPEB Deferred Outflows		(\$47,792,688)

The reduction in OPEB deferred outflows noted above resulted in an associated \$7.8M decrease of amortization expense recognized for the year ended September 30, 2024. Management recorded this adjustment as a correcting entry in the fiscal year 2024 financial statements.

Recommendations: Management should enhance their review procedures to ensure that Plan changes are appropriately and timely incorporated into the actuarial valuation, in accordance with GASB 75. Provide additional training to City management and staff responsible for reviewing the actuarial valuation to ensure proper understanding and implementation of Plan changes in future valuations.

View of Responsible Party: Concur.

Both the Financial Services Department and Human Resources Department will update their respective review procedures to ensure OPEB Plan changes are appropriately and timely reflected in the City’s actuarial valuation. Once the procedures are updated, training will be provided to all City staff responsible for the review of the actuarial OPEB valuation to ensure understanding of the proper treatment for Plan changes in future valuations.

Estimated Completion: June 30, 2025

Upcoming GASB Pronouncements

- GASB Statement No. 101, *Compensated Absences*
- GASB Statement No. 102, *Certain Risk Disclosures*
- GASB Statement No. 103, *Financial Reporting Model Improvements*
- GASB Statement No. 104, *Disclosure of Certain Capital Assets*

Single Audit Report –Federal and State Programs

Single Audit Report –Federal Programs

- Report on compliance with requirements that could have a direct and material effect on each major federal program and on internal control over compliance in accordance with Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- No significant deficiencies or material weaknesses reported as part of the current year single audit.
- We issued an unmodified opinion (clean opinion) on compliance over the major programs
- Issued on March 28, 2025

Single Audit Report –State Programs

- Report on compliance with requirements that could have a direct and material effect on each major state program and on internal control over compliance in accordance with the Texas Grant Management Standards (TxGMS)
- No significant deficiencies or material weaknesses reported as part of the current year single audit.
- We issued an unmodified opinion (clean opinion) on compliance over the major programs
- Issued on March 28, 2025

Single Audit Report –Federal and State Programs (cont.)

Federal Programs

- \$245,007,092 in Federal Program Expenditures During FY24
- Major Programs Selected For Testing During FY24:

ALN #	Title	FY 2024 Expenditures
21.016	Federal Treasury Asset Forfeiture Fund	\$2,427,252
21.027	Coronavirus State and Local Fiscal Recovery Funds	\$87,010,650
93.566	Refugee Medical Screening	\$2,338,762
97.036	Federal Emergency Management Agency (FEMA) Public Assistance	\$61,456,404

Single Audit Report –Federal and State Programs (cont.)

State Programs

- \$6,726,474 in State Program Expenditures During FY24
- Major Programs Selected For Testing During FY24:

Contract #	Title	FY 2024 Expenditures
HHS001182200008, HHS001437400010	TB Elimination	\$634,123
G1001297	Central Texas Regional Floodplain Studies	\$1,453,064

Status of Other Reports

- Texas Commission on Environmental Quality (TCEQ) Agreed Upon Procedures Report – Issued March 24, 2025 – no findings
- Passenger Facility Charges (PFCs) Report – To Be Issued April 14, 2025 – no findings as of audit work performed through April 8, 2025

Control-Related Matters – PY Significant Deficiency

We consider the following PY deficiency in the City's internal control over compliance to be remediated as of September 30, 2024:

Finding 2023-001: Noncompliance and Significant Deficiency in Internal Controls – Quarterly Reporting Requirements for Public Agency

Criteria: – Based on Section 158.63 of Title 14 related to Passenger Facility Charges, Public Agencies are required to provide quarterly reports to air carriers collecting PFCs for the public agency with a copy to the appropriate FAA Airports Office.

Condition/Context: The Airport provided quarterly revenue and expense information to the System of Airports Reporting (SOAR) system on July 31, 2023, to satisfy the quarterly reporting requirements for the third quarter. The expenditures included within the report submitted were understated by \$4,665,257. The Airport recognized the error and a revised report was emailed to the proper contacts on November 1, 2023.

Management's Update on Remediation: While the review of the quarterly report followed the documented internal controls, the identified error was a manually updated field outside of the data inputs tab. This field was overlooked by the new Financial Analyst tasked with the preparation of the report and the Financial Manager did not notice the oversight when several input error variance checks reflected no variance. When the error was discovered during the next quarter's report preparation, both Financial Analysts reviewed and discussed the preparation process and identified a solution to link the field to the data inputs tab and removed the need for a manual update. The Financial Analysts discussed the recommended solution with the Financial Manager, obtained approval for the update, and implemented the process change immediately. To further reduce review errors, the Financial Analysts now perform a peer review prior to submitting the quarterly report to the Financial Manager for review.

APPENDICES

- Appendix A: Our Responsibility Under Generally Accepted Auditing Standards
- Appendix B: Accounting Estimates
- Appendix C: Representations from Management
- Appendix D: Control-Related Matters – Definitions
- Appendix E: Material Corrected Misstatements
- Appendix F: Other Required Communications

Appendix A – Our Responsibility Under Generally Accepted Auditing Standards

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by fraud or error. In making those risk assessments, we considered internal control over financial reporting relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting. Our consideration of internal control over financial reporting was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

We did not audit the financial statements of Austin-Bergstrom Landhost Enterprises Inc. (ABLE), Austin Convention Enterprises Inc. (ACE), Austin Transit Partnership Local Government Corporation (ATP), Retreat at North Bluff, LP (RNB), Central Housing, LP (CHLP), and Hyde Park Housing, LP (HPHLP) which represent 98.6%, 99.3% and 97.6%, respectively, of the assets, net position and revenues of the aggregate discretely presented component unit as of September 30, 2024. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for ABLE, ACE, ATP, RNB, CHLP, and HPHLP is based solely on the reports of the other auditors.

Appendix B - Accounting Estimates

Overview	Qualitative Assessment
Other Postemployment benefits (OPEB) Liability and Related Balances	
<ul style="list-style-type: none">• Management engages an actuary to perform a valuation with the objective of estimating the total OPEB liability (TOL) for the City’s other postemployment benefit plan in accordance with GASB 75.• With data provided by the City on the plan participants and with management’s oversight, the actuary makes certain assumptions about the plan participants, discount rate, mortality, rate of salary increases, inflation rate, and healthcare costs trends to develop the estimated TOL.• This valuation is performed biennially and projected forward to the off years as permitted by GAAP. The liability for FY24 was determined by an actuarial valuation and measurement date as of December 31, 2023.	<ul style="list-style-type: none">• Performed data analysis and other audit procedures of the underlying data used by the actuary to develop the assumptions and estimates• Involved Deloitte actuarial specialists in the evaluation of the City’s actuarial valuation, including the calculations and the reasonableness of assumptions• Reviewed the related disclosures for accuracy and consistency with the actuarial study and GAAP requirements• Management’s methodology and resulting amounts were deemed reasonable

Appendix B - Accounting Estimates (cont.)

Overview	Qualitative Assessment
Net Pension liability and related balances for City’s participation in three pension plans	
<ul style="list-style-type: none">• Management obtained information from the three pension plans including actuarial valuations, audited plan financial statements, and census data.• After evaluating the information received from the three plans, management used the information to calculate the balances that needed to be recorded in the current year based on a measurement date of December 31, 2023.• The net pension liability, pension expense, and the related balances were allocated to the funds using annual contributions made by each fund during the measurement period.	<ul style="list-style-type: none">• Agreed the total pension liability and fiduciary net position as well as certain disclosures from the audited plan financial statements and actuarial reports to the City’s disclosures• Involved Deloitte actuarial specialists in the evaluation of the Plans’ actuarial valuations, including testing the calculations and the reasonableness of assumptions• Tested management’s allocation of the pension balances to the funds• Obtained audited schedules of pension amounts from the respective Plans• Management’s methodology and resulting amounts were deemed reasonable

Appendix B - Accounting Estimates (cont.)

Overview	Qualitative Assessment
Asset Retirement Obligation –Environmental liabilities	
<ul style="list-style-type: none">• Management developed the asset retirement obligations for nuclear assets by applying the latest escalation factors (specifically energy, waste burial, and public utility employee inflation rates) to the costs estimated in 2023 which were developed by specialists.	<ul style="list-style-type: none">• Recalculated management’s application of the latest escalation factors to the cost estimates• Agreed the escalation factors used to the third-party sources (if applicable)• Obtained an understanding of the qualifications of the specialists• Evaluated with the use of Deloitte specialists, the assumptions and methodology used in the 2023 study• Management’s methodology and resulting amounts were deemed reasonable

Appendix B - Accounting Estimates (cont.)

Overview	Qualitative Assessment
Deferred amounts related to accounting for regulated operations	
<ul style="list-style-type: none">• Management considers the rate setting process and estimates the amount of costs that will be recovered in the future and costs that have been collected in advance through calculations that compare debt outstanding to the net book value of depreciable capital assets purchased with debt.• In addition, management evaluates certain costs that have not been included in the rate setting process. This includes other key estimates such as nuclear decommissioning, pensions and other post employment benefits costs, and unrealized gains and losses on investments and derivatives.• Management evaluates certain estimates by projecting them forward to determine if the amounts will amortize to zero over time if no other transactions that affected the deferred amounts occurred.	<ul style="list-style-type: none">• Obtained an understanding of changes to management’s rate setting process and evaluated whether that the City continued to meet the criteria defined by GAAP• Gained an understanding of the costs that will be recovered in the future and costs recovered in advance and tested the completeness of management’s identification of such costs• Tested the amortization period of deferred regulatory costs model• Tested the components of estimates that were significant to the calculation, including the forecast model• Considered the consistency of the application of GAAP, as applicable to the City• Management’s methodology and resulting amounts were deemed reasonable

Appendix C – Representations from Management

FINANCIAL SERVICES DEPARTMENT

PO Box 1088, Austin, TX 78767

March 11, 2025

Deloitte & Touche LLP
500 West 2nd Street, Suite 1600
Austin, Texas 78701

We are providing this letter in connection with your audit of the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Austin (the "City"), as of and for the year ended September 30, 2024, which collectively comprise the City's basic financial statements for the purpose of expressing an opinion as to whether the basic financial statements present fairly, in all material respects, the financial position, results of operations or changes in fund balances, and cash flows, as applicable, of the City in accordance with accounting principles generally accepted in the United States of America (GAAP) and your single audit of the City for the year ended September 30, 2024.

We confirm that we are responsible for the following:

- a. The preparation and fair presentation in the basic financial statements of financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, in accordance with GAAP.
- b. The design, implementation, and maintenance of internal control:
 - Relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - To prevent and detect fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits.

1. The basic financial statements referred to above are fairly presented in accordance with GAAP. In addition:
 - a. The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations.
 - b. The financial statements include all fiduciary activities as required by Governmental Accounting Standards Board (GASB) Codification Section 1300.111-.116, *Fiduciary Funds*.
 - c. Majority equity interests in legally separate organizations are properly accounted for in accordance with GASB Codification Section 2600.116, *Equity Interests in Component Units*.

- d. Net position components (net investment in capital assets, restricted, and unrestricted) are properly classified and, if applicable, approved.
 - e. Deposits and investment securities are properly classified in the category of custodial credit risk.
 - f. Capital assets, including infrastructure assets, are properly capitalized, reported, and, if applicable, depreciated. Related costs have been recognized as an expense in the period in which the costs are incurred, in accordance with GASB Codification Section 1400.120-.121, *Interest Cost Incurred before the End of a Construction Period*.
 - g. Required supplementary information is measured and presented within prescribed guidelines.
 - h. Applicable laws and regulations are followed in adopting, approving, and amending budgets.
 - i. The City's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available is appropriately disclosed and the related net position is properly recognized under the policy.
 - j. The financial statements properly classify all funds and activities, including special and extraordinary items.
 - k. All funds that meet the quantitative criteria in the GASB Codification Section 2200.159 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.
 - l. Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.
 - m. Revenues are appropriately classified in the statement of activities within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
 - n. The City has followed its established accounting policy regarding which resources (restricted, committed, assigned, or unassigned) are considered to be spent for expenditures to determine the fund balance classifications for financial reporting purposes.
 - o. Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
 - p. Fund balance restrictions, commitments, and assignments are properly classified and, if applicable, approved.
2. The City has provided to you all relevant information and access as agreed in the terms of the audit engagement letter.
3. The City has made available to you:

- a. All minutes of the meetings of the City Council or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - b. All financial records and related data for all financial transactions of the City and for all funds administered by the City. The records, books, and accounts, as provided to you, record the financial and fiscal operations of all funds administered by the City and provide the audit trail to be used in a review of accountability. Information presented in financial reports is supported by the books and records from which the financial statements have been prepared.
 - c. Contracts and grant agreements (including amendments, if any) and any other correspondence that has taken place with federal agencies.
4. There has been no:
 - a. Action taken by City management that contravenes the provisions of federal laws and State of Texas laws and regulations, or of contracts and grants applicable to the City.
 - b. Communications with other regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices or other matters that could have a material effect on the financial statements.
5. We believe the effects of any uncorrected financial statement misstatements aggregated by you during the current audit engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole for each opinion unit. A summary of such uncorrected misstatements has been attached as Appendix A.
6. We have completed our procedures to evaluate the accuracy and completeness of the disclosures in our financial statements. As a result of the evaluation process, we identified that we have omitted the disclosure for the error correction and associated restatement of Discretely Presented Component Unit ("DPCU") beginning net position for the removal of Creekside Senior Housing Limited Partnership (\$4.2M) from our financial statements, although required by GAAP. This omitted disclosure is regarded as more than clearly trivial. We believe the effects of the omitted disclosures are quantitatively and qualitatively immaterial, both individually and in the aggregate, to the financial statements as a whole.
7. The City has disclosed to you the results of management's risk assessment, including the assessment of the risk that the financial statements may be materially misstated as a result of fraud.
8. We have no knowledge of any fraud or suspected fraud affecting the City involving:
 - a. Management.
 - b. Employees who have significant roles in the City's internal control.
 - c. Others, where the fraud could have a material effect on the financial statements.
9. We have no knowledge of any allegations of (1) fraud or suspected fraud or (2) noncompliance or suspected noncompliance with laws regulations, contracts, or grant agreements, affecting the City's

financial statements communicated by employees, former employees, analysts, regulators, granting agencies or others that warrant communication or disclosure to those charged with governance or federal and state funding agencies.

10. There are no unasserted claims or assessments that we are aware of or that legal counsel has advised us are probable of assertion and must be disclosed in accordance with GASB Codification Section C50, *Claims and Judgments*.
11. The methods, significant assumptions, and the data used by us in making the accounting estimates and the related disclosures are appropriate to achieve recognition, measurement, or disclosure that is in accordance with GAAP.
12. We are responsible for the preparation of the Schedules of Expenditures of Federal and State Awards in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("OMB Uniform Guidance") and Texas Grant Management Standards ("TxGMS"), respectively. We have identified and disclosed all of the City's government programs and related activities subject to the OMB Uniform Guidance and TxGMS compliance audits. The Schedules of Expenditures of Federal and State Awards are complete lists of all federal and state awards required to be presented for the year ended September 30, 2024. In addition, we have accurately completed the appropriate sections of the data collection form.
13. We are responsible for compliance and have complied with local, state, and federal laws, rules, and regulations, including compliance with the requirements of OMB Uniform Guidance, TxGMS, and the provisions of grants and contracts relating to the City's operations. We are responsible for understanding and complying with the requirements of the federal and state statutes and regulations and the terms and conditions of federal and state awards related to each of the City's federal and state programs. We are responsible for establishing and maintaining the components of internal control relating to our activities in order to achieve the objectives of providing reliable financial reports, effective and efficient operations, and compliance with laws and regulations. We are responsible for maintaining accounting and administrative control over revenues, obligations, expenditures, assets, and liabilities.
14. Management has identified and disclosed to you all laws and regulations that have a direct and material effect on the determination of financial statement amounts.
15. We have informed you of all investigations or legal proceedings that have been initiated during the year ended September 30, 2024 or are in process as of September 30, 2024.
16. We are responsible for establishing and maintaining, and have established and maintained, effective internal control over compliance for federal and state programs that provides reasonable assurance that we are managing federal and state awards in compliance with federal and state statutes, regulations, and the terms and conditions of the federal and state awards that could have a material effect on its federal and state programs.
17. We have disclosed to you all deficiencies in the design or operation of internal control over financial reporting identified as part of our evaluation, including separately disclosing to you all such deficiencies that are significant deficiencies or material weaknesses in internal control over financial reporting.

18. No events have occurred subsequent to September 30, 2024, that require consideration as adjustments to or disclosures in the schedules of federal and state awards and related notes or that existed at the end of the reporting period that affect noncompliance during the reporting period, except for the events disclosed in Note 22 to the basic financial statements.
19. We have disclosed all known noncompliance with direct and material compliance requirements occurring subsequent to September 30, 2024.
20. No changes in internal control over compliance or other factors that might significantly affect internal control over financial reporting, including any corrective actions taken by the City with regard to significant deficiencies and material weaknesses in internal control over compliance, have occurred subsequent to September 30, 2024.
21. Federal and state awards expenditures have been charged in accordance with applicable cost principles, as applicable.
22. The Reporting Package submitted to the Federal Audit Clearinghouse (FAC) as defined by the OMB Uniform Guidance section 2CFR200.512(3)(c) does not contain protected personally identifiable information.
23. We have disclosed all contracts or other agreements with service organizations.
24. We have disclosed to you all communications from service organizations relating to noncompliance with the requirements of federal and state statutes, regulations, and terms and conditions of federal and state awards at those organizations.
25. We have:
 - a. Identified previous financial audits, attestation engagements, performance audits, or other studies related to the objectives of the audit and the corrective actions taken to address significant findings and recommendations. We have also provided the status of the follow-up on prior audit findings (and information about all management decisions) by federal and state awarding agencies and pass-through entities.
 - b. Provided to you our views on the reported findings, conclusions, and recommendations, as well as management's planned corrective actions, for your report.
 - c. Identified and disclosed to you the requirements of federal and state statutes, regulations, and the terms and conditions of federal and state awards that are considered to have a direct and material effect on each major program under audit.
 - d. Complied, in all material respects, with the direct and material compliance requirements identified above in connection with federal and state awards.
 - e. Identified and disclosed interpretations of any compliance requirements that have varying interpretations.
 - f. Made available all federal and state awards (including amendments, if any) and any other correspondence relevant to federal and state programs and related activities that have taken

- place with federal and state agencies or pass-through entities. Management has made available all documentation related to compliance with the direct and material compliance requirements, including information related to federal and state program financial reports and claims for advances and reimbursements. Federal and state program financial reports and claims for advances and reimbursements are supported by the books and records from which the financial statements have been prepared. The copies of federal and state program financial reports provided are true copies of the reports submitted, or electronically transmitted, to the federal and state agency or pass-through entity, as applicable.
- g. Identified and disclosed all amounts questioned and all known noncompliance with the direct and material compliance requirements of federal and state awards, including the results of other audits, program reviews, or any communications from federal and state awarding agencies and pass-through entities concerning possible noncompliance related to the objectives of the audit.
 - h. Monitored subrecipients to determine that they have expended subawards in compliance with federal and state statutes, regulations, and terms and conditions of the subaward and have met the other pass-through entity requirements of OMB Uniform Guidance and TxGMS.
 - i. Issued management decisions for audit findings that relate to federal and state awards made to subrecipients. Such management decisions were issued within six months of acceptance of the audit report by the FAC. In addition, we have followed up to determine whether the subrecipient has taken timely and appropriate action on all deficiencies detected through audits, on-site reviews, and other means that pertain to the federal or state award provided to the subrecipient from the City.
 - j. Considered the results of the subrecipient's audits and made any necessary adjustments to the City's own books and records.
26. We are responsible for follow-up on all prior-year(s) findings and have a process to track the status of audit findings and recommendations. We have prepared a summary schedule of prior-year findings by federal and state awarding agency and pass-through entity, including all management decisions, to report the status of our efforts in implementation of the prior-year's corrective action plan. The summary schedule of prior audit findings includes all findings required to be included in accordance with *Government Auditing Standards*, OMB Uniform Guidance, and TxGMS.
27. We are responsible for taking corrective action on audit findings and have developed a corrective action plan that meets the requirements of OMB Uniform Guidance and/or TxGMS. We have included in the corrective action plan for current-year findings the name of the person in our organization responsible for implementation of the actions, the best actions to be taken, and the estimate of a completion date. We have taken timely and appropriate steps to respond to identified or suspected fraud, noncompliance with the provisions of laws, regulations, contracts, and grant agreements that you report.
28. We believe that we have properly identified, reported, and classified each component unit of the City and each activity that meets the criteria established in GASB Codification Section 2100, *Defining the Financial Reporting Entity*.

29. The City has appropriately identified and disclosed all segments in accordance with GASB Codification Section 2500, *Segment Information*.
30. The City has informed you that the annual report comprises: the Annual Comprehensive Financial Report (ACFR) (the ACFR). The City's final version of the ACFR has been provided to you and is consistent with the financial statements and does not contain any material misstatements. The City expects to issue the ACFR and make it available to users electronically on or about March 11, 2025.
31. The City has appropriately identified and recorded all intangible assets under GASB Codification Section 1400.138 – 1400.153, *Intangible Assets*.
32. The City recognized an asset retirement obligation related to Austin Energy, Austin Water, and Fleet assets because both an external obligating event and an internal obligating event resulting from normal operations have occurred as of September 30, 2024, and the amount of the liability is reasonably estimable. The City has properly disclosed all information related to the asset retirement obligation.
33. We believe the effects of the uncorrected financial statement misstatements detected in the current year that relate to the prior year presented, when combined with those misstatements aggregated by you during the prior year audit engagement and pertaining to the prior year presented, are immaterial, both individually and in the aggregate, to the financial statements for the year ended September 30, 2024, taken as a whole. A summary of such uncorrected misstatements has been attached as Appendix B.
34. We believe that capitalizing groups of similar assets purchased together if the total cost exceeds the City's capitalization threshold as a result of implementing GASB Implementation Guide No. 2021-1, *Implementation Guide Update-2021* meets the criteria for reporting as an accounting change as described in GASB Statement No. 100, *Accounting Changes and Error Corrections*, paragraphs 4-11.
35. We believe that the change to the reporting entity due to the addition of two new discretely presented component units, Central Housing, LP and Hyde Park Housing, LP, meets the criteria for reporting as an accounting change as described in GASB Statement No. 100, *Accounting Changes and Error Corrections*, paragraphs 4-11.
36. The City has not completed the process of evaluating the impact that will result from adopting GASB Statement No. 101, *Compensated Absences*, Statement No. 102, *Certain Risk Disclosures*, Statement 103, *Financial Reporting Model Improvements*, and GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The City is therefore unable to disclose the impact that adopting these GASB Statements will have on its financial position, results of operations, and cash flows when such statement is adopted.
37. The City has recorded certain investment pools measured at amortized costs as of September 30, 2024. We have evaluated the criteria in paragraph 4 of GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, and have determined that the pools measured at amortized cost meet the criteria for amortized cost reporting.
38. Tax-exempt bonds issued have retained their tax-exempt status.
39. We have complied with all applicable provisions of the Foreign Corrupt Practices Act.

40. The City has provided to you a listing that identifies the legal names of the City's affiliates, including affiliates as defined in AICPA Interpretation 1.224.020, *State and Local Government Client Affiliates*, together with the ownership relationship among such entities.

Except where otherwise stated below, immaterial matters less than \$4,600,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to, or disclosure in, the basic financial statements.

41. Except as listed in Appendix A, there are no transactions that have not been properly recorded and reflected in the financial statements.

42. The City has no plans or intentions that may affect the carrying value or classification of assets and liabilities.

43. Regarding related parties:

- a. We have disclosed to you the identity of all the City's related parties and all the related-party relationships and transactions of which we are aware.
- b. To the extent applicable, related parties and all the related-party relationships and transactions, including sales, purchases, loans, transfers, leasing arrangements, and guarantees (written or oral) have been appropriately identified, properly accounted for, and disclosed in the financial statements.

44. In preparing the financial statements in accordance with GAAP, management uses estimates. All estimates have been disclosed in the financial statements for which known information available prior to the issuance of the financial statements indicates that both of the following criteria are met:

- a. It is reasonably possible that the estimate of the effect on the financial statements of a condition, situation, or set of circumstances that existed at the date of the financial statements will change in the near term due to one or more future confirming events.
- b. The effect of the change would be material to the financial statements.

45. There are no:

- a. Instances of identified or suspected noncompliance with laws, regulations, or provisions of contracts or grant agreements whose effects should be considered when preparing the financial statements, or other instances that warrant the attention of those charged with governance.
- b. Known actual or possible litigation and claims whose effects should be considered when preparing the financial statements and that have not been disclosed to you and accounted for and disclosed in accordance with GAAP.
- c. Known actual or likely instances of abuse that have occurred that could be quantitatively or qualitatively material to the financial statements.

- d. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB Codification Section C50, *Claims and Judgments*.
46. The City has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, nor has any asset been pledged as collateral. Further, the City has ownership of all reported infrastructure assets, or if ownership is unclear, the City has responsibility for managing all reported infrastructure assets.
47. The City has complied with all aspects of contractual agreements that may affect the financial statements.
48. No department or agency of the City has reported a material instance of noncompliance to us.
49. The City has identified all derivative instruments as defined by GASB Codification Section D40, *Derivative Instruments*, and appropriately recorded and disclosed such derivatives in accordance with GASB Codification Section D40.
50. Other than those described in Note 22 to the financial statements, no events have occurred after September 30, 2024, but before March 11, 2025, the date the financial statements were issued, that require consideration as adjustments to, or disclosures in, the financial statements. Subsequent events have been evaluated and classified as recognized or nonrecognized through March 11, 2025.
51. Regarding required supplementary information:
- a. We confirm that we are responsible for the required supplementary information.
 - b. The required supplementary information is measured and presented in accordance with GAAP.
 - c. The methods of measurement and presentation of the supplementary information have not changed from those used in the prior period.
52. Regarding supplementary information:
- a. We are responsible for the preparation and fair presentation of the supplementary information in accordance with GAAP, Uniform Guidance, TxGMS, and GFOA guidelines.
 - b. We believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP, Uniform Guidance, TxGMS, and GFOA guidelines.
 - c. The methods of measurement and presentation of the supplementary information have not changed from those used in the prior period.
 - d. We confirm that when the Schedules of Federal and State Awards ("SEFA" and "SESA") are not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the SEFA and SESA no later than the date of issuance of the SEFA and SESA and our audit report thereon.

53. We have identified the significant assumptions and factors affecting derivatives as disclosed in Note 12 to the financial statements. The assumptions are reflective of management's intent and ability to carry out specific courses of action and the significant assumptions used are consistent with the City's plans and past experience.
54. Financial instruments with significant individual or group concentration of credit risk have been appropriately identified, properly recorded, and disclosed in the financial statements.
55. The City has properly identified all derivative instruments and any financial instruments that contain embedded derivatives. The City's hedging activities, if any, are in accordance with its documented and approved hedging and risk management policies, and all appropriate hedge documentation was in place at the inception of the hedge in accordance with GASB Codification Section D40, *Derivative Instruments*. Specifically, we have appropriately designated all hedging instruments as either fair value or cash flow hedges or hedges of the foreign currency exposure of a net investment in a foreign operation. The timing, nature, and amounts of all forecasted transactions are probable of occurring. The fair values of all derivatives, embedded derivatives that have been bifurcated, financial instruments that contain embedded derivatives for which the City has elected to measure the financial instruments at fair value in their entirety (pursuant to the provisions of GASB Codification Section D40), and hedged items have been determined based on GAAP using prevailing market prices or by using financial models that are the most appropriate models for valuing such instruments and that incorporate market data and other assumptions that we have determined to be reasonable and appropriate at September 30, 2024.
56. With regard to the fair value measurements and disclosures of certain assets, liabilities, and specific components of equity, such as investments and derivatives:
- a. The completeness and adequacy of the disclosures related to fair values are in accordance with GAAP.
 - b. No events have occurred after September 30, 2024, but before March 11, 2025, the date the financial statements were issued that require adjustment to the fair value measurements and disclosures included in the financial statements.
57. The City has determined whether a capital asset has been impaired in accordance with GASB Codification Section 1400.181 – 1400.201, *Impairment of Capital Assets*. In making this determination, the City considered the following factors:
- a. The magnitude of the decline in service utility is significant.
 - b. The decline in service utility is unexpected.
58. The City has properly identified and accounted for all pollution remediation activities in accordance with GASB Codification Section P40, *Pollution Remediation Obligations*. In performing this assessment, we considered whether one of the five obligating events had occurred and whether a recognition benchmark had been met. There are currently no other activities that meet the criteria in the standard for recognition of an expenditure.
59. We agree with the findings of management's experts in evaluating the actuarial and environmental liabilities and have adequately considered the qualifications of management's experts in determining

amounts and disclosures used in the financial statements and underlying accounting records. We did not give any instructions, nor cause any instructions to be given, to management's experts with respect to values or amounts derived in an attempt to bias his or her work, and we are not aware of any matters that have affected the independence or objectivity of management's experts.

60. We have appropriately identified and properly recorded and disclosed in the financial statements all interfund transactions, including repayment terms. Further, all interfund loans include only amounts that are expected to be repaid within a reasonable period of time and the borrowing funds have the ability and intent to repay the loans.
61. Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances, line of credit, or similar arrangements have been properly disclosed in the financial statements.
62. Provisions for uncollectible receivables have been properly identified and recorded.
63. Provision has been made to reduce excess or obsolete inventories to their estimated net realizable value. All inventories are the property of the City and do not include any items consigned to it or any items billed to customers.
64. We believe that all expenditures that have been deferred to future periods are recoverable.
65. The City has evaluated its leases and has properly classified, recognized, and reported all leases in accordance with the recognition, measurement, financial reporting, and disclosure requirements set forth in GASB Codification Section L20, *Leases*.
66. We have properly recorded and disclosed subscription-based information technology arrangements, including the related right to use assets, subscription liabilities, and other related amounts, in accordance with GASB Codification Section S80, *Subscription-Based Information Technology Arrangements*.
67. The City intends and has the ability to refinance maturing commercial paper notes by issuing long term debt. Outstanding commercial paper notes scheduled to mature during the ensuing fiscal year will be refinanced by issuing additional commercial paper notes or by issuing long-term debt and will not require the use of working capital during the period; therefore, these liabilities are classified as long-term obligations. (A) For the Combined Utility Systems Debt – Tax Exempt Commercial Paper Notes, the notes are payable at maturity to the holder at a price equal to the principal plus accrued interest. If the remarketing agent is unable to successfully market the notes, the notes will be purchased by the respective liquidity providers and become bank notes with principal to be paid in 12, equal installments. (B) For the Combined Utility Systems Debt – Taxable Commercial Paper Notes, the taxable notes are payable at maturity to the holder at a price equal to the principal plus accrued interest. If the remarketing agent is unable to successfully remarket the notes, the notes will be purchased by the respective liquidity provider and become bank notes with principal due immediately. The taxable notes are secured by a direct-pay letter of credit (as disclosed in Note 9), which permits draws for the payment of the taxable notes. A 24-month term loan feature is provided by this agreement.
68. Provision has been made for any loss that is probable from environmental remediation liabilities associated with Holly and Fayette Power Plants. We believe that such estimate is reasonable based

on available information and that the liabilities, related loss contingencies, and expected outcome of uncertainties have been adequately described in the City's financial statements.

69. We have disclosed conduit debt obligations in the financial statements in accordance with the requirements of GASB Codification Section C65, *Conduit Debt Obligations*, and have reported as liabilities only those conduit debt obligations that meet the criteria for recognition.
70. We have disclosed to you all new or changes to the existing pension and other postretirement benefit plans.
71. We believe that the actuarial assumptions and methods used to measure pension liabilities and costs for financial accounting purposes are appropriate in the circumstances. These amounts have been appropriately recognized and displayed as assets, liabilities, and, where applicable, deferred inflows, deferred outflows, net position and changes in net position in the appropriate fund in accordance with GASB Codification Section P20, *Pension Activities — Reporting for Benefits Provided through Trusts That Meet Specified Criteria — Defined Benefit*.
72. We believe that the actuarial assumptions and methods used to measure postretirement liabilities and costs for financial accounting purposes are appropriate in the circumstances. These amounts have been appropriately recognized and displayed as assets, liabilities, and, where applicable, net position and changes in net position in the appropriate fund in accordance with GASB Codification Section P52, *Postemployment Benefits Other than Pensions — Reporting for Benefits Not Provided through Trusts That Meet Specified Criteria — Defined Benefit*.
73. We do not plan to make frequent amendments to our pension or other postretirement benefit plans.
74. We have no intention of terminating any of our pension or other postretirement benefit plans or taking any other action that could result in an effective termination or reportable event for any of the plans. We are not aware of any occurrences that could result in the termination of any of our pension or other postretirement benefit plans to which we contribute.
75. We have properly recorded and disclosed public-private and public-public partnerships and availability payment arrangements in accordance with GASB Codification Section P90, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*.
76. All documentation related to sales transactions is contained in customer files. We also confirm that:
 - a. We are not aware of any “side agreements” with any companies that are inconsistent with the applicable sales agreement, the customer’s purchase order, sales invoice, or any other documentation contained in the customer’s file. For the purposes of this letter, a “side agreement” is any agreement, understanding, promise, or commitment, whether written (e.g., in the form of a letter or formal agreement or in the form of any exchange of physical or electronic communications) or oral, by or on behalf of the City (or any subsidiary, director, employee, or agent of the City) with a customer from whom revenue has been recognized that is not contained in the written purchase order from the customer or sales order confirmation and sales invoice of the City delivered to or generated by the City's Accounting and Finance Department. The definition of a side agreement is not limited by any particular subject matter. For purposes of example only, any agreement not contained in the written purchase order from the customer or sales order and sales invoice of the City that relates to

return rights, acceptance rights, future pricing, payment terms, free consulting, free maintenance, or exchange rights would be a side agreement.

- b. We are not aware of any commitments or concessions to a customer regarding pricing or payment terms outside of the terms documented in the customer's file.

77. Regarding tax abatement agreements, in accordance with GASB Codification Section 2300.107, *Notes to the Financial Statements*, we have disclosed:

- a. Agreements that are entered into by the City, names of the tax abatement programs, specific taxes and total gross taxes abated, and whether any commitments other than to reduce taxes were made as part of any tax abatement agreement; and
- b. Agreements that are entered into by other governments that affect the City's tax revenues, names of the other governments that are parties to the agreements, and specified taxes and total gross taxes abated.

78. The City has evaluated the effects of the COVID-19 Preparedness and Response Appropriations Act; Families First Coronavirus Response Act; Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"); Coronavirus Response and Relief Supplemental Appropriations Act; and the American Rescue Plan Act (collectively, the "COVID-19 Acts") and determined that the related financial reporting considerations are accounted for and reported appropriately under the applicable financial accounting reporting framework.

79. Revenues are recorded in the governmental funds when they are measurable and available, as defined in Note 1c to the ACFR.

80. The current Airline Use and Lease Agreement is assumed to legally continue through September 30, 2025, in the absence of a new executed lease agreement.

Appendix D – Control-Related Matters – Definitions

Definitions

The definitions of a deficiency, material weakness, and significant deficiency are as follows:

Deficiency

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when (a) a properly designed control does not operate as designed, or (b) the person performing the control does not possess the necessary authority or competence to perform the control effectively.

Material weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis.

Significant deficiency

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Total Aggregate Remaining (NME)			-	(8,125,242)	130,341,553	9,728,568	-	(131,944,879)

Appendix F - Other Required Communications

Required Supplementary Information

Required supplementary information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance

Supplementary Information

The combining and individual nonmajor fund financial statements, Schedule of Expenditures of Federal and State Awards, and supplemental schedules, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and supplemental schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Appendix F (cont.) - Other Required Communications

Other Information Included in Annual Report

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report. We did not note any uncorrected material misstatements of the other information.

Management Representations

We have made specific inquiries of the City's management about the representations embodied in the financial statements. In addition, we have requested that management provide to us the written representations the City is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as **Appendix C**, a copy of the representation letter we obtained from management.

Appendix F (cont.) - Other Required Communications

Significant Difficulties Encountered in Performing the Audit

In our judgment, we received the full cooperation of the City’s management and staff and had unrestricted access to the City’s senior management in the performance of our audit.

Disagreements with Management

We have not had any disagreements with management related to matters that are material to the City’s 2024 financial statements.

Our Views about Significant Matters That Were the Subject of Consultation with Other Accountants

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters during 2024.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our global network of member firms and related entities in more than 150 countries and territories (collectively, the “Deloitte organization”) serves four out of five Fortune Global 500® companies. Learn how Deloitte’s approximately 330,000 people make an impact that matters at www.deloitte.com.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms or their related entities (collectively, the “Deloitte organization”) is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication. DTTL and each of its member firms, and their related entities, are legally separate and independent entities.
