WHEREAS, alongside the City's vitally important commitment to SOS and longstanding tradition of environmental stewardship, there is also a need for consideration of the unique challenges that development of particular tracts can present; and

WHEREAS, in order to redevelop the site, the owner is committed to no expansion of impervious cover and standards that meet and exceed all of the requirements of the Barton Springs Zone redevelopment ordinance; and

25 **WHEREAS**, in order to redevelop the tract, site specific amendments to the
26 Land Development Code would be required; **NOW, THEREFORE**,

27 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

28 The City Council initiates site specific amendments to the Land Development
29 Code, including Chapter 25-8, Subchapter A, Article 13 (*Save Our Springs*
30 *Initiative*), as minimally required to address proposed redevelopment of the 3.026-
31 acre site located at 5811 Southwest Parkway.

32 **BE IT FURTHER RESOLVED:**

33 The City Manager is directed to work with the representatives of 5811
34 Southwest Parkway to minimize departure from code requirements while
35 maximizing environmental protection and return to Council with an ordinance that:

- 36 a. allows no increase in the existing amount of impervious cover on the site;
- 37 b. if feasible, identifies ways to decrease the amount of impervious cover;
- 38 c. provides water quality treatment consistent with City Code Section 25-8-26
39 (*Redevelopment Exception in the Barton Springs Zone*) for all
40 redevelopment areas and to the extent feasible for the entire site;
- 41 d. incorporates additional environmental and resource-efficient strategies; and
- 42 e. preserves the requirements of the Hill Country Roadway regulations.

44 **ADOPTED:** _____, 2019
