RE: Application 24-5526 for a waiver to the distance requirement between a business selling alcoholic beverages and a school for 1822 South Congress Avenue

Mr. Walker:

Austin ISD has received notification of an application for a waiver to the distance requirement of City Code Section 4-9 -4(A) which requires a minimum 300-foot separation distance between a business selling alcoholic beverages and a school, for 1822 South Congress Avenue, which is within 300 feet of Lively Middle School.

The District opposes this application because of the belief that alcohol sales near schools are not conducive to a positive and safe learning environment. If you have any questions regarding this matter, please contact me at (512) 414-9841. Thank you for your assistance with this request.

Sincerely,

Beth Wilson,
Executive Director, Planning and Asset Management
Austin Independent School District
