

City of Austin

Recommendation for Action

File #: 26-2009, **Agenda Item #:** 44.

7/23/2026

Posting Language

Authorize an amendment to a contract for the Local Mobility Americans with Disabilities Act Sidewalk and Ramp Improvements Group 33 Citywide Indefinite Delivery Indefinite Quantity contract for Austin Transportation and Public Works with Muniz Concrete & Contracting Inc., to increase the amount by \$7,500,000 for a revised total contract amount not to exceed \$37,500,000. Funding: \$7,500,000 is available in the Capital Budget of Austin Transportation and Public Works.

Lead Department

Austin Financial Services.

Managing Department

Austin Transportation and Public Works.

Fiscal Note

Funding is available in the Capital Budget of the Transportation and Public Works.

Procurement Language:

Contract Amendment.

MBE / WBE:

This contract was awarded in compliance with City Code 2-9A (Minority-Owned and Women-Owned Business Enterprise Procurement Program). Current participation to date is 4.32% MBE and 1.55% WBE.

Prior Council Action:

May 30, 2024 - Council approved a contract with Muniz Concrete & Contracting, Inc. for Local Mobility Americans with Disabilities Act Sidewalk & Ramp Improvements Group 33 Citywide Indefinite Delivery Indefinite Quantity contract.

For More Information:

Direct questions regarding this Recommendation for Council Action to the Austin Financial Services - Central Procurement at FSDCentralProcurementRCAs@austintexas.gov or 512-974-2500. Respondents to the solicitation and their Agents should direct all questions to the Authorized Contact Person identified in the solicitation.

Additional Backup Information:

In 2023, Council adopted the Sidewalks, Crossings, and Shared Streets Plan which includes the sidewalk priorities and selection criteria. As part of the City's ongoing effort to comply with the directives of the Federal Americans with Disabilities Act (ADA), the Austin Transportation and Public Works has developed efficient and cost-effective methods to construct sidewalks, ramps, driveways, retaining walls, handrails, bikeways, striping, shoulder widening, ADA-compliant bus stop upgrades, sidewalk repairs, and associated construction.

The contract authorization was spent earlier than anticipated as a result of expedited delivery. To allow time to

solicit a new contract, additional authorization in the amount of \$7,500,000 is needed to continue the construction of sidewalks and associated improvements citywide.

This is an Indefinite Delivery/Indefinite Quantity (IDIQ) contract which provides for an indefinite quantity of services for a fixed time, usually an initial term with extension options. They are commonly used when precise quantities of supplies or services, above a specified minimum, cannot be determined. IDIQ contracts help streamline the contract process and service delivery and allow the City the flexibility to add work as needs arise or change. As each project is defined, a specific work assignment will be assigned to the contractor who will complete the scope of work for the unit prices included in the contract. Work deadlines will be established for each work assignment.

This project will be located City wide in all Districts and within the City's Extraterritorial Jurisdiction.
