

# City of Austin

## Recommendation for Action

---

**File #:** 25-0148, **Agenda Item #:** 24.

2/13/2025

---

### **Posting Language**

Authorize negotiation and execution of an amendment to the interlocal agreement with Travis County for the City's provision of public health services, for a seven-month term beginning on October 1, 2024, in an amount not to exceed \$4,095,973 to be paid by the City.

### **Lead Department**

Austin Public Health.

### **Fiscal Note**

Travis County will reimburse the City for the public health services provided by the City through a cost recovery model

### **Prior Council Action:**

December 9, 2021 - Council authorized negotiation and execution of an interlocal agreement with Travis County on an 11-0 vote.

December 10, 2020 - Council authorized the negotiation and execution of a ninth renewal to the interlocal agreement with Travis County on an 11-0 vote.

October 1, 2020 - Council authorized negotiation and execution of an eighth renewal to the interlocal agreement with Travis County on an 11-0 vote.

### **For More Information:**

Adrienne Sturup, Director, 512-972-5010; Saeed Azadi, Interim Assistant Director for Administration, 512-972-5041; Juanita Jackson, Business Process Consultant, 512-972-6163.

### **Additional Backup Information:**

Pursuant to the terms of various agreements, Austin Public Health has provided public health services throughout the unincorporated areas of Travis County (County) since 1985. City and County staff worked together for several years to consolidate the patchwork of agreements and amendments for these services, resulting in an interlocal agreement (ILA) that was approved by the County Commissioners Court and City Council on September 27, 2007, and October 18, 2007, respectively. This original ILA was renewed several times prior to adoption of the current ILA.

This action will authorize negotiation and execution of an amendment to the interlocal agreement for a seven-month period beginning on October 1, 2024, in an amount not to exceed \$4,095,973.

Pursuant to this ILA, Austin Public Health will continue to provide public health services, such as HIV outreach and prevention, immunizations, disease surveillance, vital records, chronic disease prevention, communicable disease services, epidemiology and disease surveillance, Health Authority services, tuberculosis elimination, and environmental health services.
