SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat or creation of units by horizontal condominium regime), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the estimated buildout value of the newly divided Assessed Property

D = the sum of the estimated buildout value for all of the newly divided Assessed Properties

The calculation of the buildout value of an Assessed Property shall be performed by the Administrator based on information from the Owner, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 Amended and Restated Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat or creation of units by a horizontal condominium regime*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat or creation of units by horizontal condominium regime, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the newly subdivided Lots based on buildout value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated average buildout value of all newly subdivided Lots with same Lot Type

D = the sum of the estimated average buildout value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat or creation of units by horizontal condominium regime, the Owner shall provide the City an estimated buildout value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation

shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the next Annual Service Plan Update and approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

B. Mandatory Prepayment of Assessments

1. Maximum Assessment Exceeded

If the Assessment for any Lot Type exceeds the Maximum Assessment on the Maximum Assessment Calculation Date, the owner must partially prepay the Assessment for each Assessed Property that exceeds the Maximum Assessment in an amount sufficient to reduce the Assessment to the Maximum Assessment. The owner of a Parcel shall notify the Administrator at least 30 days before the Maximum Assessment Calculation Date so that the Administrator can determine whether a prepayment is required. If a prepayment is required, the Administrator will notify the owner of the Parcel as well as the Owner, and the prepayment must be made prior to subdividing by plat, issuance of a site development permit, or creating units by a horizontal condominium regime.

If a prepayment of an Improvement Area #2 Assessment or an Improvement Area #3 Assessment is due and owing pursuant to the provisions above (including providing the required notice to Owner) and remains unpaid for 90 days after such notice, the City, upon providing written notice to the Owner, may reduce the amount of the Improvement Area #2 Reimbursement Obligation or Improvement Area #3 Obligation, as appropriate, and the Improvement Area #2 Assessments or Improvement Area #3 Assessments (as applicable) by a corresponding amount, provided that the Improvement Area #2 Assessments shall not be reduced to an amount less than the outstanding Improvement Area #2 Bonds and the Improvement Area #3 Assessment shall not be reduced to an amount less than the outstanding Improvement Area #3 Bonds, if issued.

2. Transfer to Exempt Person or Entity

If the Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

C. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for such Authorized Improvements, the City Council shall reduce each Assessment related to such Authorized Improvements on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Properties receiving benefit from the Authorized Improvements equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Rolls and corresponding Annual Installments to reflect the reduced Assessments.

D. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the Act. If an Annual Installment has been billed prior to this prepayment, the Annual Installment shall be due and payable and shall be credited against the prepayment.

If an Assessment is paid in full, with interest: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Termination."

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced.

E. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update. **Exhibit F-2** shows the projected Improvement Area #1 Annual Installments, **Exhibit G-2** shows the projected Improvement Area #2 Annual Installments and **Exhibit H-2** shows the projected Improvement Area #3 Annual Installments

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and updated calculations of Annual Installments. Annual Installments shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Assessment against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the landowner fails to timely pay the Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be delinquent if not paid prior to February 1 of the following year.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached on **Exhibit F-1**. The Improvement Area #2 Assessment Roll is attached on **Exhibit G-1**. The Improvement Area #3 Assessment Roll is attached on **Exhibit H-1**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Assessment Rolls as well as the Annual Installments as part of each Annual Service Plan Update.
