Re: 1116 and 1120 West Howard Lane RCA – Postponement request for the restrictive covenant amendment (“RCA”) application, case number C14-93-0047(RCA), for the property located at 1116 and 1120 West Howard Lane in the City of Austin, Travis County, Texas (the “Property”).

Dear Ms. Middleton-Pratt:

As representatives of the owners of the Property, we would like to respectfully request a postponement of the upcoming City Council public hearing for the restrictive covenant amendment application on the Property, currently scheduled for Thursday, November 6, 2025. We are requesting a postponement to the November 20, 2025 City Council meeting date. The reason for the postponement is to allow additional time to complete legal documents associated with the application.

Please let me know if you or your team members require additional information or have any questions. Thank you for your time and attention to this project.

Very truly yours,

Amanda Swor
