

## MOTION SHEET 1

I move to make a change to the clean-up proposition, currently listed as Proposition N, in order to delete the word “Candidate” from the title of Article III, 8(F), as shown by the yellow highlight below:

(F) [~~Time Restrictions On Candidate~~] Fundraising; Officeholder Accounts.

This subsection appears at the bottom of P. 27 in the “Proposed Ballot Language” document included in the backup for this item. This change will ensure that the title of Article III, 8(F) accurately reflects the proposed changes to that subsection of the City Charter.
