

Mechanical and Plumbing Board RECOMMENDATION 20240625-3

Date: June 25, 2024

Subject: Recommendation of 2024 Uniform Mechanical Code

Motioned By: William Harris Seconded By: Joseph Cooper

Recommendation

A unanimous decision in a recommendation to adopt the 2024 Uniform Mechanical Code with City of Austin local ordinance.

Description of Recommendation to Council

2024 Uniform Mechanical Code as amended by ordinance. Language approved by the Mechanical and Plumbing Board and City staff.

Rationale: *The board understands the importance of this recommendation to council as it is necessary to keep up with the changes in construction and modifications of codes through ordinances, education, contractor/builder licensing requirements and public awareness programs with participation in code development and administrative policies and procedures.*

In this recommendation, it continues to keep the Citizens of Austin healthy and safe and to ensure codes are updated to adopted give them a long-lasting mechanical system in homes and business with minimal maintenance requirements and to continue making Austin the most livable City of America.
