Motioned By: David Deshaine

Seconded By: Ben Brenneman

Recommendation

In a unanimous vote, Vice Chair Johnson, entertain a motion to the floor to approve the 2023 NEC ordinance as presented by Commercial Electrical Supervisor of Inspections, Marty Starrett. Board members Deshaine made a motion to approve, board member Brenneman, seconded the vote. Motion passed 6-0

Description of Recommendation to Council

The Electrical Board recommends adopting the 2023 NEC which provides a national standard for electrical installations for residential, commercial, and industrial buildings and structures. The proposed ordinance establishes amendments to address local installations, and to comply with the State Electrical law and the State's adopted National Electrical Code.

Rationale:

The Board consists of stakeholders and business owners in the community and believes 2023 NEC continues to provide safety standards and guidelines for all electrical installations.
