SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Master Improvement Area Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Parcel (without the recording of a subdivision plat or creation of units by horizontal condominium regime), the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the division among the newly divided Assessed Parcels according to the following formula:

$$\mathbf{A = B \times (C \div D)}$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Parcel

B = the Assessment for the Assessed Parcel prior to division

C = the assessable acreage of the newly divided Assessed Parcel

D = the sum of the assessable acreage for all of the newly divided Assessed Parcels

2. Upon Subdivision by a Recorded Subdivision Plat or creation of units by a horizontal condominium regime

Upon the subdivision of any Assessed Parcel based on a recorded subdivision plat or creation of units by horizontal condominium regime, the Administrator shall reallocate

the Assessment for the Assessed Parcel prior to the subdivision among the newly subdivided Lots according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the assessable acreage of all newly subdivided Lots with same Lot Type

D = the sum of the assessable acreage for all of the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

The calculation of the assessable acreage of a parcel shall be performed by the Administrator based on information from the Owner, homebuilders, appraisals, official public records of the County, and any other relevant information regarding the Parcel. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Parcels shall equal the Assessment for the Assessed Parcel prior to subdivision. The calculation shall be made separately for each newly divided Assessed Parcel. The reallocation of an Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2024 Amended and Restated Service and Assessment Plan approved by the City Council.

B. Reallocation of Improvement Area #1 Assessments, Improvement Area #2 Assessments, and Improvement Area #3 Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Parcel (without the recording of a subdivision plat or creation of units by horizontal condominium regime), the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the division among the newly divided Assessed Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Parcel

B = the Assessment for the Assessed Parcel prior to division

C = the estimated buildout value of the newly divided Assessed Parcel

D = the sum of the estimated buildout value for all of the newly divided Assessed Parcels

The calculation of the estimated buildout value of an Assessed Parcel shall be performed by the Administrator based on information from the Owner, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Parcel. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Parcels shall equal the Assessment for the Assessed Parcel prior to subdivision. The calculation shall be made separately for each newly divided Assessed Parcel. The reallocation of an Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2024 Amended and Restated Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat or creation of units by a horizontal condominium regime*

Upon the subdivision of any Assessed Parcel based on a recorded subdivision plat or creation of units by horizontal condominium regime, the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the subdivision among the newly subdivided Lots based on buildout value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated average buildout value of all newly subdivided Lots with same Lot Type

D = the sum of the estimated average buildout value for all of the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat or creation of units by horizontal condominium regime, the Owner shall provide the City an estimated buildout value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any

other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Parcel subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Parcel. The reallocation of an Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the next Annual Service Plan Update and approved by the City Council.

C. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

D. Mandatory Prepayment of Assessments

1. Maximum Assessment Exceeded

If the Assessment for any Lot Type exceeds the Maximum Assessment on the Maximum Assessment Calculation Date, the owner must partially prepay the Assessment for each Assessed Parcel that exceeds the Maximum Assessment in an amount sufficient to reduce the Assessment to the Maximum Assessment. The owner of a Parcel shall notify the Administrator at least 30 days before the Maximum Assessment Calculation Date so that the Administrator can determine whether a prepayment is required. If a prepayment is required, the Administrator will notify the owner of the Parcel as well as the Owner, and the prepayment must be made prior to subdividing by plat, issuance of a site development permit, or creating units by a horizontal condominium regime.

If a prepayment of an Assessment is due and owing pursuant to the provisions above (including providing the required notice to Owner) and remains unpaid for 90 days after such notice, the City, upon providing written notice to the Owner, may reduce the amount of any related Reimbursement Obligation and the applicable Assessments by a corresponding amount, provided that such Assessments shall not be reduced to an amount less than any outstanding PID Bonds secured by such Assessments.

2. *Transfer to Exempt Person or Entity*

If the Assessed Parcel is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Parcel shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Parcel causes the Assessed Parcel to become Non-Benefited Property, the owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

E. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for such Authorized Improvements, the City Council shall reduce each Assessment related to such Authorized Improvements on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Parcels receiving benefit from the Authorized Improvements equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Rolls and corresponding Annual Installments to reflect the reduced Assessments.

F. Prepayment of Assessments

The owner of the Assessed Parcel may pay, at any time, all or any part of an Assessment in accordance with the PID Act. If an Annual Installment has been billed prior to this prepayment, the Annual Installment shall be due and payable and shall be credited against the prepayment.

If an Assessment is paid in full, with interest: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Termination."

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced.

1. Prepayments of Master Improvement Area Assessments

As of the date of this 2024 Amended and Restated Service and Assessment Plan, 604 Prepayments in full and one partial Prepayment have been received for the Master Improvement Area Assessments, as shown on **Exhibit S-1**.

2. Prepayments of Improvement Area #1 Assessments

As of the date of this 2024 Amended and Restated Service and Assessment Plan, seven Prepayments in full and one partial Prepayment have been received for Improvement Area #1 Assessments, as shown on **Exhibit S-2**.

3. Prepayments of Improvement Area #2 Assessments

As of the date of this 2024 Amended and Restated Service and Assessment Plan, eight Prepayments in full have been received for Improvement Area #2 Assessments, as shown on **Exhibit S-3**.

4. Prepayments of Improvement Area #3 Assessments

As of the date of this 2024 Amended and Restated Service and Assessment Plan, no Prepayments have been received for Improvement Area #3 Assessments, as shown on **Exhibit S-4**.

G. Prepayment as a result of Eminent Domain Proceeding or Taking

If any portion of any Assessed Parcel is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Assessed Parcel is made to an entity with the authority to condemn all or a portion of the Assessed Parcel in lieu of or as a part of an eminent domain proceeding (a “**Taking**”), the portion of the Assessed Parcel that was taken or transferred (the “**Taken Property**”) shall be reclassified as Non-Benefited Property.

For the Assessed Parcel that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Parcel (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Parcel (the Assessed Parcel less the Taken Property), (the “**Remaining Property**”) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2024 Amended and Restated Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below.

By way of illustration, if an owner owns 100 acres of Assessed Parcel subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment.

Notwithstanding the previous paragraphs in this subsection, if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the estimated buildout value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment on the Remaining Property to support the estimated buildout value requirement. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

H. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

No less frequently than annually, the Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and updated calculations of Annual Installments. Annual Installments shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments for any Assessment other than the Improvement Area #1 Reimbursement Assessments claimed as homesteads shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

For any Assessed Parcels other than the Improvement Area #1 Reimbursement Assessed Parcels claimed as homesteads, the sale of an Assessed Parcel for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Assessment against the Assessed Parcel, and the Assessed Parcel may again be sold at a judicial foreclosure sale if the landowner fails to timely pay the Annual Installments as they become due and payable.

To the extent allowed by the law, the City reserves the right to refund PID Bonds in accordance with the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual

Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute “PID Bonds.”

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be delinquent if not paid prior to February 1 of the following year.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installments, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council for determination. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.

B. Amendments

Amendments to this 2024 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with Texas law, including the PID Act. To the extent permitted by the PID Act, this 2024 Amended and Restated Service and Assessment Plan may be amended without notice to owners of the Assessed Parcels: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2024 Amended and Restated Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2024 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2024 Amended and Restated Service and Assessment Plan. Interpretations of this 2024 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this 2024 Amended and Restated Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Exhibit U**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this 2024 Amended and Restated Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this 2024 Amended and Restated Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

E. Severability

If any provision of this 2024 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

F. Termination of Assessments

Each Assessment shall terminate on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After termination of an Assessment, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination."
