

RESOLUTION NO.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The City Manager is directed to develop a policy proposal to limit and mitigate the negative impacts caused by the placement and operations of City-owned gas peaker units by:

1. identifying comprehensive impact mitigation strategies related to operations of City-owned gas peaker units; and
2. establishing a program to benefit residents negatively impacted by the location of past and future fossil fuel generation facilities, including, but not limited to, utility-funded solar power generation, utility-funded battery storage, and other benefits requested by impacted neighbors.

BE IT FURTHER RESOLVED:

The City Manager is directed to present this policy proposal to Council as soon as possible, but no later than December 31, 2027.
