Recommendation for Action

File #: 25-1245, Agenda Item #: 51.

7/24/2025

Posting Language

Authorize a contract for Genetec video management systems software and services for the Transportation and Public Works Department with Mobile Communications America, Inc. d/b/a MCA for an initial term of two years with up to three 1-year extension options in an amount not to exceed \$1,000,000. Funding: \$50,000 is available in the Operating Budget of the Transportation and Public Works Department, and funding for the remaining contract term is contingent upon available funding in future budgets.

Lead Department

Financial Services Department.

Client Department(s)

Transportation and Public Works Department.

Fiscal Note

Funding in the amount of \$50,000 is available in the Fiscal Year 2024-2025 Operating Budget of the Transportation and Public Works Department.

Funding for the remaining contract term is contingent upon available funding in future budgets.

Purchasing Language:

The Financial Services Department issued a Request for Proposals solicitation RFP 6200 LRH3005 for these services. The solicitation was issued on December 9, 2024, and closed on January 14, 2025. Of the five offers received, the recommended contractor submitted the best evaluated responsive offer. A complete solicitation package, including a log of offers received, is available for viewing on the City's website, . This information can currently be found at

https://financeonline.austintexas.gov/afo/account_services/solicitation/solicitation_details.cfm?sid=141768.

MBE/WBE:

This solicitation will be awarded in compliance with City Code Chapter 2-9B (Minority-Owned and Women-Owned Business Enterprise Procurement Program). For the services required for this solicitation, there were no subcontracting opportunities; therefore, no subcontracting goals were established.

For More Information:

Direct questions regarding this Recommendation for Council Action to the Financial Services Department - Central Procurement at FSDCentralProcurementRCAs@austintexas.gov or 512-974-2500. Respondents to the solicitation and their Agents should direct all questions to the Authorized Contact Person identified in the solicitation.

Additional Backup Information:

This contract will provide software and services for the Transportation and Public Works Department (TPWD). The maintenance and support include video management systems software and hardware maintenance, repairs, and installation services to manage the City's arterial streets.

The City maintains and operates over 1,100 intersections with traffic signals. The Genetec Video Management System is integrated with TPWD's Mobility Management Center's traffic analytic software, allowing for monitoring and evaluation of potential traffic issues or concerns and enabling TPWD to make signal adjustments to minimize traffic bottlenecks and ensure traffic safety. The Genetec Video Management System also allows other City groups to conduct traffic research for ongoing City projects as they relate to traffic.

An evaluation team with expertise in this area evaluated the offers and scored Mobile Communications America, Inc. d/b/a MCA as the best to provide these services based on project and concept, experience, price, local business preference and small business preference.

A delay in contract approval could impact TPWD's ability to ensure efficient management of traffic and traffic safety.
