

ZONING CHANGE REVIEW SHEET

CASE: C14-2025-0056 (12940 North U.S. 183)

DISTRICT: 6

ADDRESS: 12940 N. U.S. Highway 183

ZONING FROM: GR, LO

TO: ~~CS-V~~
GR-V-CO*

*On October 7, 2025, the applicant amended their rezoning request to reflect the staff's recommendation of GR-V-CO zoning (*please see Exhibit D*).

SITE AREA: 5.0034 acres

PROPERTY OWNER: SHA LLC DBA FIRST CARE

APPLICANT/AGENT: Drenner Group PC (Amanda Swor)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMEDATION:

Staff recommends GR-V-CO, Community Commercial-Vertical Mixed Use Building-Conditional Overlay Combining District, zoning. The conditional overlay will prohibit the following uses within 200 feet of residential zoning or development:

**Automotive Repair Services,
Automotive Sales,
Automotive Washing (of any type),
Bail Bond Services,
Club or Lodge,
Commercial Off-Street Parking,
Drop Off Recycling Collection Facility,
Exterminating Services,
Funeral Services,
Hotel/Motel,
Off-Site Accessory Parking,
Outdoor Entertainment,
Outdoor Sports and Recreation,
Pawn Shop Services,
Service Station**

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:

August 19, 2025: Postponed to October 7, 2025 at the applicant's request by consent (8-2, R. Puzychi and S. Boone-absent); B. Greenberg-1st, A. Flores-2nd.

October 7, 2025: Approved staff's recommendation of GR-V-CO zoning by consent (6-0, A. Flores, S. Boone, A. Cortes and C. Tschoepe-absent); R. Puzycki-1st, L. Osto-Lugo-2nd.

CITY COUNCIL ACTION:

November 6, 2025: Postponed to December 11, 2025 at the applicant's request (10-0, K. Watson-absent); Qadri-1st, Laine-2nd.

December 11, 2025

ISSUES: N/A

CASE MANAGER COMMENTS:

The property in question is a 5 acre lot that is currently developed with a vacant 3-story office building, with surface parking, that has access to Fathom Circle and t e N. US Highway 183 Southbound frontage road. The lots to the north, across Fathom Circle, are developed with a multifamily complex (Summit at Westwood Apartments) and an office use (State Farm) and are zoned MF-2 and GR. To the south, there is a multifamily use (Spicewood Springs Apartments) zoned DR, a public library with surface parking zoned LR-CO and P, undeveloped property zoned GR, a retail center zoned GR-CO and a restaurant and service station/automotive washing use zoned GR. The lots to the west along Fathom Circle contain single family residences zoned SF-3. In this case, the applicant is requesting CS-V zoning to redevelop this property with a multifamily residential project *please see Applicant's Request Letter - Exhibit C* .

The staff is recommending GR-V-CO, Community Commercial-Vertical Mixed Use Building-Conditional Overlay Combining District, zoning. The property meets the intent of the GR base district as it is located at the southwest intersection of a Fathom Circle (Level 1/ Residential Street) and N. US Highway Service Road Southbound (Level 4/ Arterial Roadway). The GR-V-CO zoning is consistent with surrounding commercial and multifamily zoning and use patterns. The staff is recommending a conditional overlay (CO) to prohibit more intensive commercial uses within 200 feet of the residential development on Fathom Circle. The site under consideration is located in the 183 & McNeil Neighborhood Center as designated on the Growth Concept Map in the Imagine Austin Comprehensive Plan and is within 0.25 miles of public transit stop near existing commercial and civic services.

The applicant agrees with the staff's recommendation.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

The Community Commercial (GR) district is the designation for an office or other commercial use that serves neighborhood and community needs and that generally is accessible from major traffic ways.

Vertical Mixed Use Building (V) combining district may be applied in combination with any commercial base zoning district and allows for a combination of office, retail, commercial and residential uses within a vertical mixed use building.

Conditional Overlay combining district may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

2. *The proposed zoning should promote consistency and orderly planning.*

GR-V-CO zoning would be compatible and consistent with the surrounding uses because there are commercial uses to the north, south and east of the site. In addition, there are multifamily uses to the north and south and MF-2 zoning across Fathom Circle directly to the north of the site under consideration.

3. *The proposed zoning should allow for a reasonable use of the property.*

The proposed GR-V-CO zoning will permit the applicant to develop up to 250 multifamily residential units at this location. The property in question is within the 183 & McNeil Neighborhood Center as designated on the Growth Concept Map in the Imagine Austin Comprehensive Plan. It is 0.25 miles from public transit stop near existing commercial and civic services.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	GR, LO	Office, with surface parking and a small detention pond
<i>North</i>	GR, MF-2	Office (State Farm), Multifamily (Summit at Westwood Apartments)
<i>South</i>	GR, GR-CO, GR, P, LR-CO, DR	Undeveloped Land, Retail Center (HEB, Chase Bank, Postal Nook, Papa Murphy's Pizza, Austin 3D Dental, Spa Pro Nails, Organic Spa Massage), Jim's Restaurant, Service Station/Automotive Washing (Budget Lube and Car Wash), Parking, Library (Spicewood Springs Branch Austin Public Library) Multifamily (Spicewood Springs Apartments)
<i>East</i>	ROW	U.S. Highway 183
<i>West</i>	SF-3	Single-Family Residences

Drainage

The developer is required to submit a pre- and post-development drainage analysis at the subdivision and site plan stage of the development process. The City’s Land Development Code and Drainage Criteria Manual require that the Applicant demonstrate through engineering analysis that the proposed development will have no identifiable adverse impact on surrounding properties.

Environmental

The site is located over the North Edwards Aquifer Recharge Zone. The site is in the Rattan Creek Watershed, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Gross Site Area</i>	<i>% of Gross Site Area with Transfers</i>
Single-Family Residential (min. lot size 5750 sq. ft.)	45%	50%
One or Two Family Residential (lot size < 5750 sq. ft.)	55%	60%
Multifamily Residential	60%	65%
Commercial	65%	70%

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2-year storm on site.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Fire

No comments.

Parks and Recreation

Parkland dedication will be required for the new applicable uses proposed by this development, multifamily with CS-V zoning, at the time of subdivision or site plan, per City Code § 25-1-601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-609, as amended.

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: ann.desanctis@austintexas.gov. At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

Site Plan

Site plans will be required for any new development except for residential only projects with up to 4 units.

Any new development is subject to LDC Subchapter E Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Compatibility Standards

The site is subject to compatibility standards due to the adjacent single-family property to the west.

Reference 25-2-1051, 25-2-1053

Any structure that is located:

- a. At least 50 feet but less than 75 feet from any part of a triggering property may not exceed 60 feet
- b. Less than 50 feet from any part of a triggering property may not exceed 40 feet

Reference 25-2-1061

A 25-foot compatibility buffer is required along the property line shared with the triggering property. No vertical structures are permitted in the compatibility buffer.

Reference 25-2-1062(B), 25-8-700

An on-site amenity, including a swimming pool, tennis court, ball court, or playground, may not be constructed 25 feet or less from the triggering property.

Reference 25-2-1062

Transportation

The Austin Strategic Mobility Plan (ASMP) calls for 58 feet of right-of-way for Fathom Cir. It is recommended that 29 feet of right-of-way from the existing centerline should be dedicated for Fathom Dr according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

The adjacent street characteristics table is provided below:

Name	ASMP Classification	ASMP Required ROW	Existing ROW	Existing Pavement	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
Fathom Circle	Level 1	58 Feet	Approx 64 feet	Approx 43 feet	No	No	No
US 183 Service Road	Level 4	TxDOT Roadway	TxDOT Roadway	TxDOT Roadway	No	No	No

Water Utility

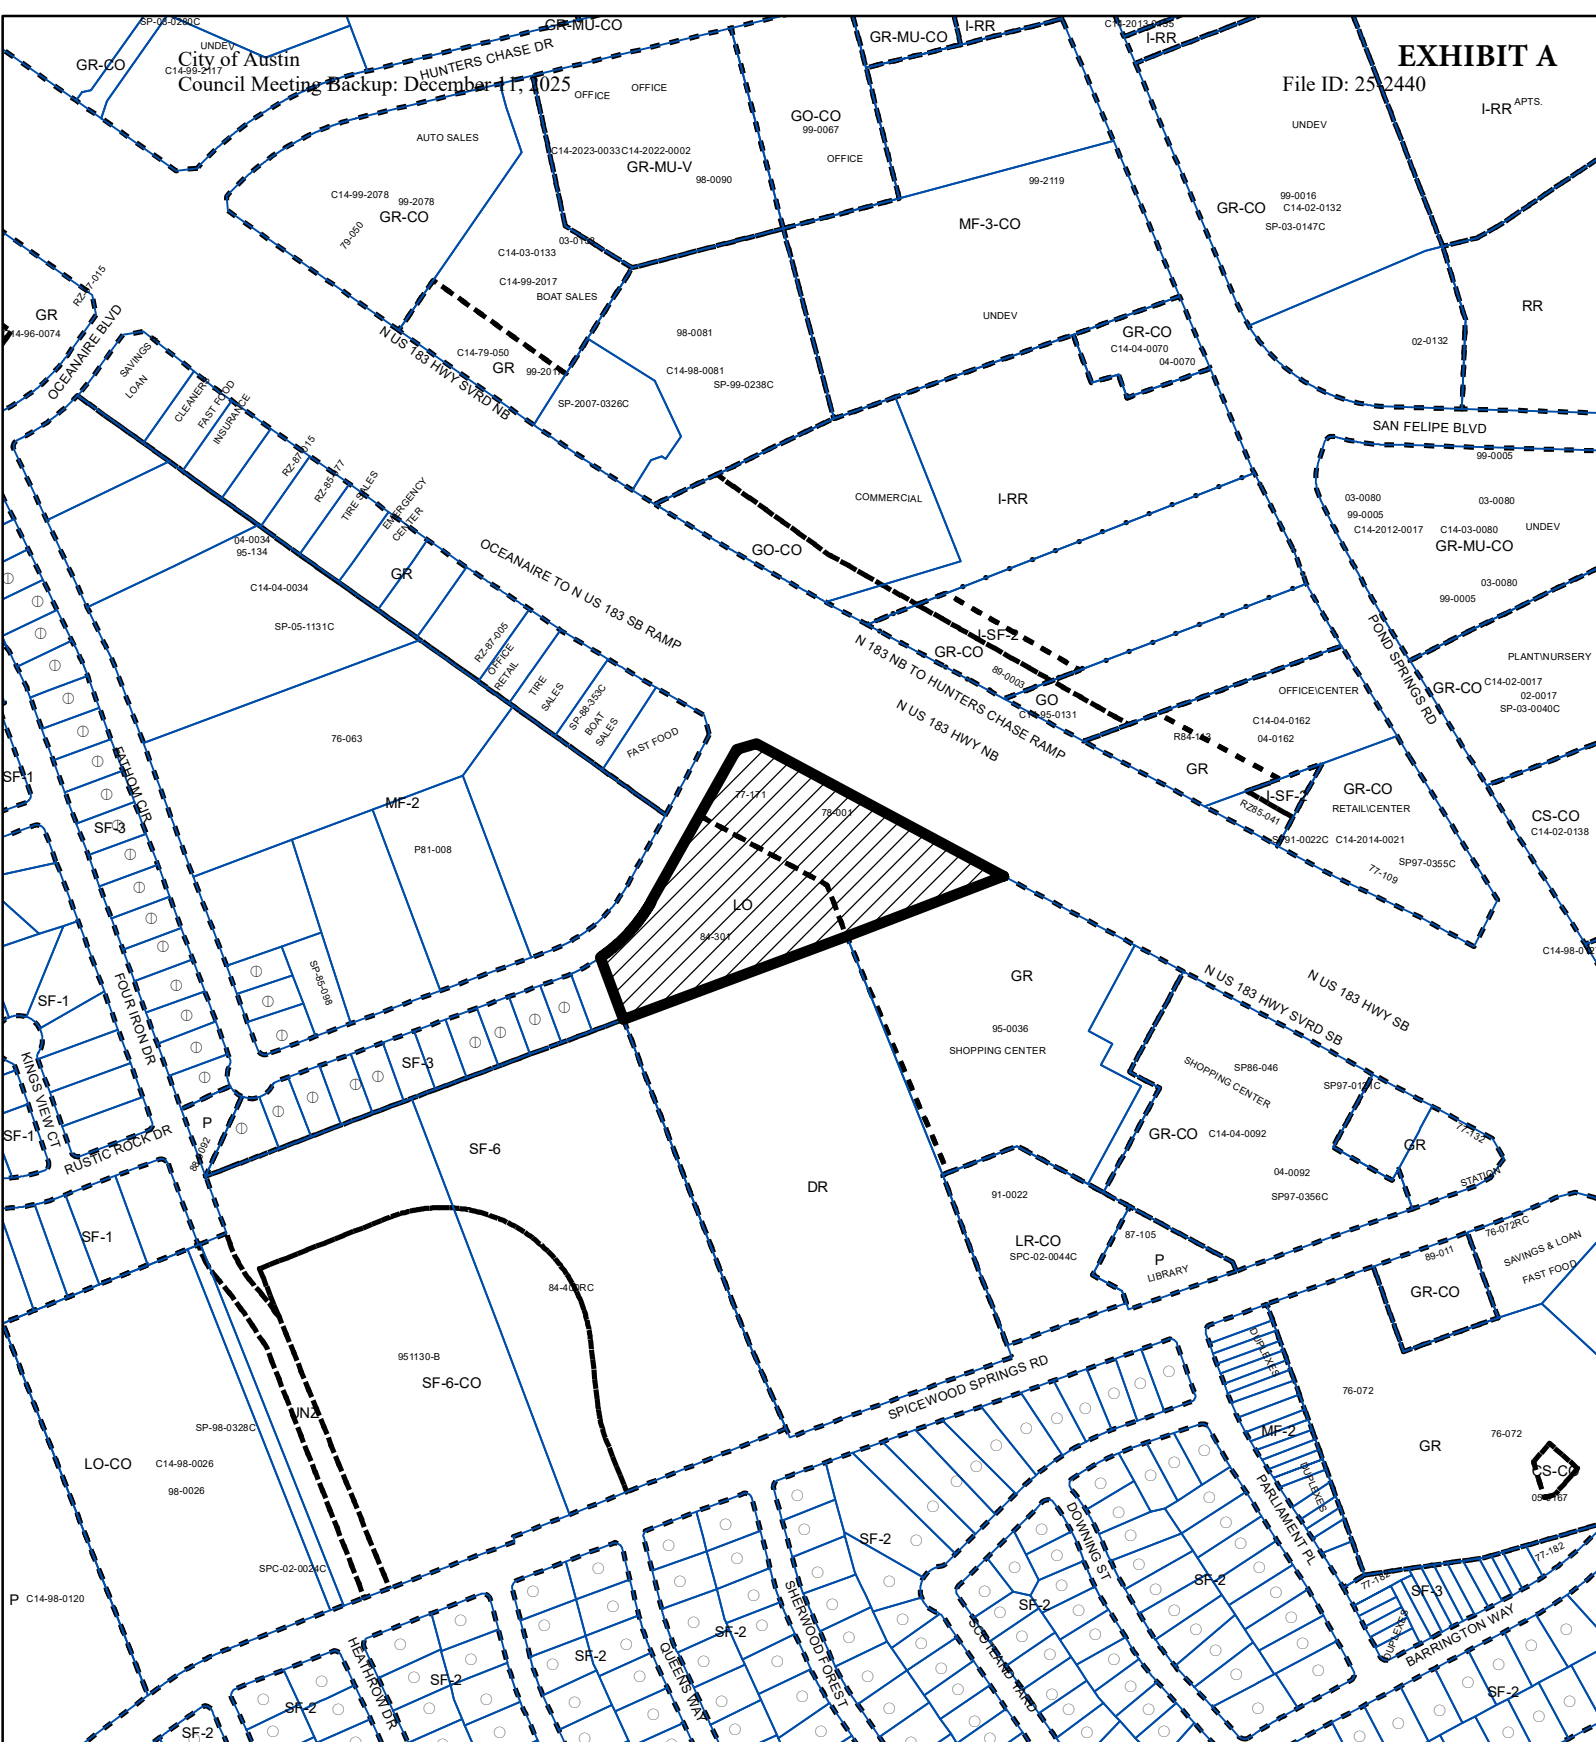

No comments on zoning change.

FYI: The landowner intends to serve the site with existing City of Austin water utilities.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. For more information pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at ser@austintexas.gov.

Re: 12940 North U.S. 183 – Rezoning application for the 5.0034-acre piece of property located at 12940 North U.S. 183 Highway, Austin, Williamson County, Texas (the "Property").

Dear Ms. Middleton-Pratt:

As representatives of the owner of the Property, we respectfully submit the enclosed rezoning application package. The project is titled 12940 North U.S. 183, consists of 5.0034 acres, and is located at 12940 North U.S. 183 Highway (also called 12940 North Research Boulevard). The Property is currently developed with a vacant office building and associated surface parking. The existing structure has been unoccupied for approximately four years.

The site is currently zoned GR (Community Commercial) and LO (Limited Office) and includes a zoning site plan per ordinance 850627-Y and City of Austin case number C14R-84-301. The proposed rezoning is to CS-V (General Commercial Services – Vertical Mixed Use Overlay), and the existing zoning site plan is intended to be deleted following the approval of this request. The purpose of the rezoning is to allow for the development of a multifamily residential project. This request is consistent with surrounding uses.

The Property is not located within an approved City of Austin Neighborhood Planning Area; therefore, there is no Future Land Use Map designation and a Neighborhood Plan Amendment is not required with this rezoning application. A Traffic Impact Analysis ("TIA") is not required per a TIA Determination Worksheet signed by Mustafa Wali on April 14, 2025, as the traffic generated by the proposal does not exceed the thresholds established in the City of Austin Land Development Code. Mitigation may still apply at the time of site development permit.

Please let me know if you or your team members require additional information or have any questions. Thank you for your time and attention to this project.

Very truly yours,

A handwritten signature in blue ink that reads "Amanda Swor". The signature is fluid and cursive, with the first name "Amanda" and last name "Swor" clearly legible.

Re: 12940 North U.S. 183 Highway – Revised request for the rezoning application, case number C14-2025-0056 (the “Application”), for the 5.0034-acre piece of property located at 12940 North U.S. 183 Highway in the City of Austin, Travis County, Texas (the “Property”).

Dear Ms. Middleton-Pratt:

As representatives of the owners of the Property, we are respectfully requesting to revise the Application to request a rezoning from GR (Community Commercial) and LO (Limited Office) to GR-V-CO, Community Commercial – Vertical Mixed Use Overlay – Conditional Overlay, district. The proposed conditional overlay is to prohibit the following uses within 200 feet of residential zoning or development:

- Automotive Repair Services;
- Automotive Sales;
- Automotive Washing (of any type);
- Bail Bond Services;
- Club or Lodge;
- Commercial Off-Street Parking;
- Drop Off Recycling Collection Facility;
- Exterminating Services;
- Funeral Services;
- Hotel/Motel;
- Off-Site Accessory Parking;
- Outdoor Entertainment;
- Outdoor Sports and Recreation;
- Pawn Shop Services; and
- Service Station.

Please let me know if you or your team members require additional information or have any questions. Thank you for your time and attention to this project.

Very truly yours,

A handwritten signature in blue ink that reads "Amanda Swor". The signature is fluid and cursive, with the first name "Amanda" being more prominent than the last name "Swor".

Ms Sirwaitis

For the case listed the property is listed as Community Commerical District (GR) and Limited Office (LO). These two zoning rules have different thresholds for maximum impervious cover. In this case is the current property by the smaller or larger value. This is important to understand when considering the impact of the change.

Thanks

Martin Wilbanks
