

MOTION SHEET

Council Member Mike Siegel moves to amend Item 31 of the February 13, 2025, Council Meeting Agenda to make the following additions:

1. On page 2, section 2(a), add new subsection (iii), to read as follows: “iii. Identify opportunities to advance City objectives for green infrastructure, including infrastructure that improves energy conservation, renewable energy generation, water conservation, water quality, and stormwater detention.”
2. On page 3, after subsection 2(d)(iii), add subsection (iv) to read: “iv. Identify opportunities that will prioritize and promote workforce safety standards and project labor agreements for public and private construction and infrastructure projects.”
3. On page 4, subsection 2(f)(i), after the phrase “street outreach for individuals experiencing homelessness” add the following text “; increased access to housing and emergency shelter; homelessness prevention programs; and supportive services including but not limited to family support services, health services, transportation assistance, legal assistance, educational and job training assistance, and rental assistance.”
4. On page 4 add the following key partners to the list of appropriate partners and stakeholders with whom the City Manager will work: “the Central Labor Council, the Central Texas Building Trades, and organizations that specialize in serving people experiencing homelessness in downtown Austin.”
