

Mayor Watson
Motion Sheet - Item 141
7/23/2026 Council Meeting

To deny Hays Central Appraisal District's request to purchase property, State law requires that we affirmatively adopt a resolution stating that denial, otherwise not taking any action is deemed as an approval.

Therefore, I move to amend the draft resolution to deny approval of the proposed transaction by Hays Central Appraisal District by making the edits show in Version 2 of the draft resolution [*that has been passed out on the dais OR is shown in backup online*].
