

Potential Prioritized 2026 Bond Election Projects and Project Categories

The information included in this section provides project and program details for the City Manager's use in developing bond election recommendations for Council's review and consideration. The final list of projects, proposition language, and proposition amounts will be determined by Council and considered for approval at the August 6, 2026, Council meeting. If, and to the extent that, Council adopts an ordinance calling an election relating to any projects or project categories below, corresponding project descriptions and/or amounts are subject to change and are not intended to create a contract with the voters.
