

## Motion Sheet

I move to amend Item 38, the State Legislative Agenda, as follows:

In the EDUCATION, ECONOMIC AND WORKFORCE DEVELOPMENT Section of the State Legislative Agenda, amend the following item:

- Support legislation and funding that provides **high-risk** workers with public health and safety protections, support, and education related to **extreme temperatures**, a pandemic response or other health emergency**ies**.

In the EQUITY & AFFORDABILITY Section of the State Legislative Agenda, amend the following item:

- Support legislation and funding that will bolster the City's efforts to stabilize and sustain neighborhoods, preserve and expand the supply of housing that is affordable **and safe**, expand economic opportunities, meet critical social needs, and fund other critical needs in low- and moderate-income neighborhoods.

In the TAX REFORM & DEBT ISSUANCE Section of the State Legislative Agenda, amend the following item:

- Oppose legislation that places the burden on Austin's taxpayers to pay for State mandates and collect revenues for the State **and support efforts to increase transparency related to unfunded mandates**.
