

MOTION SHEET #1
MOTION FOR FURTHER DIRECTION

I move to direct the City Manager to:

- Continue monitoring Tract 6.06 Census data for eligibility under Chapter 373A in the Texas Local Government Code and, if eligible in the future, return to Council with a recommendation on whether and how to designate that census tract as a homestead preservation district.
- Return to a Housing and Planning Committee meeting in Spring 2026 with an update on any tools recommended by staff to be used in Homestead Preservation Districts.
