PART 2. Division 6 (Combining and Overlay Districts), Article 2, Subchapter A of City Code Chapter 25-2 is amended to add a new Section 25-2-183 to read:

§ 25-2-183 SOUTH CENTRAL WATERFRONT (SCW) COMBINING DISTRICT PURPOSE AND BOUNDARIES.

(A) The purpose of the South Central Waterfront (SCW) combining district is to prioritize walkability, diversity in use, and enhance multi-modal connectivity to housing, employment, recreation, and public transportation facilities, achievable through alternative development regulations.

(B) The boundaries of the SCW district are identified in Appendix I (South Central Waterfront Combining District & Density Bonus Program) of this chapter.

PART 3. Division 5 (Combining and Overlay Districts), Article 3, Subchapter C of City Code Chapter 25-2 is amended to add a new Section 25-2-654 to read:

§ 25-2-654 SOUTH CENTRAL WATERFRONT (SCW) COMBINING DISTRICT REGULATIONS.

(A) This section applies to a property with SCW zoning.

(B) This section governs over a conflicting provision of this title or other ordinance unless the conflicting provision is more restrictive.

- 30 (C) A SCW combining district may not be combined with any of the following zoning
31 districts:
- 32 (1) planned unit development (PUD);
 - 33 (2) public (P);
 - 34 (3) transit oriented development (TOD);
 - 35 (4) planned development area (PDA); or
 - 36 (5) equitable transit-oriented development (ETOD).

- 37 (D) A property with SCW zoning may be developed in accordance with Appendix I
38 (*South Central Waterfront Combining District & Density Bonus Program*), which
39 establishes:
- 40 (1) permitted, permitted with conditions, and conditional uses;
 - 41 (2) site development regulations, including maximum and minimum
42 development parameters; and
 - 43 (3) requirements for street, streetscape, and other public area improvements.

44 **PART 4.** Section 25-2-181 (*Density Bonus Combining District Purpose*) of City Code is
45 amended to add a new Subsection (D) to read:

46 **§ 25-2-181 DENSITY BONUS COMBINING DISTRICT PURPOSE.**

- 47 (D) DBSCW Combining District allows for modified site development regulations and
48 compatibility standards, increased floor-to-area ratio, and building height, in
49 exchange for income-restricted housing and other community benefits.

58 *Waterfront Combining District & Density Bonus Program*), the site's zoning must
59 include DBSCW.

60 (D) Density bonus SCW (DBSCW) combining district may only be combined with
61 South Central Waterfront (SCW) combining district.

62 (E) An applicant must comply with Article 2 (*Density Bonus and Incentive*
63 *Programs*) of Chapter 4-18 before applying for a building permit or site plan
64 that relies on increased floor-to-area ratio or other development incentives in the
65 density bonus program described in Appendix I (*South Central Waterfront*
66 *Combining District & Density Bonus Program*).

67 **PART 6.** The City Manager shall establish a program to manage monies allocated as
68 Infrastructure and Community Impact Benefits fee generated by the density bonus
69 program of the *South Central Waterfront Combining District & Density Bonus Program*.

70 **PART 7.** The City Council prioritizes the Affordable Housing fee generated by the
71 density bonus program described in the *South Central Waterfront Combining District &*
72 *Density Bonus Program* for:

73 (A) preservation of affordable housing; and

74 (B) permanent supportive housing for low barrier approaches for the persons
75 experiencing homelessness.

76 **PART 8.** The Director of the Housing Department may expend up to 30 percent of the
77 affordable housing fees generated by the *South Central Waterfront Combining District &*
78 *Density Bonus Program* for supporting on-site affordable condominium ownership,
79 including the payment of condominium owner association fees and other ongoing
80 expenses associated with condominium ownership.
