Re: Resolution Concerning Policies Related to the Acquisition, Sale, Lease, and Management of City-Owned Real Estate

Colleagues,

As the lead sponsor of this item, I will be requesting a postponement of this resolution until October 13, 2022, to provide additional opportunity to work with the City Manager and my cosponsors on further revisions to this resolution. I wanted to ensure that the resolution was posted, however, to show the general intent of the resolution. I appreciate your consideration of this request for postponement.

Sincerely,

Kathie Tovo, Council Member
