25 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

26 The City Auditor is directed to conduct a comprehensive audit of Austin
27 Energy's Vegetation Management Plan and Austin Energy's response to the recent
28 winter storm.

29 The audit and review should consider, but not be limited to, the following areas:

- 30 • the adequacy of the vegetation management plan, including the
31 identification of areas for improvement;
- 32 • the execution of the vegetation management plan, including the frequency
33 and quality of inspections, pruning, and removal activities;
- 34 • the coordination efforts of Austin Energy with other City departments during
35 the recent winter storm;
- 36 • the identification of best practices and lessons learned from the recent winter
37 storm and other events;
- 38 • the allocation of resources for vegetation management and storm response,
39 including staffing, equipment, and funding;
- 40 • recommendations for improving the vegetation management plan, the
41 response to winter storms, and the overall resiliency of the energy system
42 and infrastructure; and
- 43 • a review of Austin Energy operational practices as they relate to the
44 February 2023 major winter storm event.

45 **BE IT FURTHER RESOLVED:**

46 The City Auditor shall provide a report to the City Council by September
47 30th, 2023, including findings and recommendations regarding the vegetation

management plan and Austin Energy's response to the February 2023 major winter storm event.

BE IT FURTHER RESOLVED:

The City Auditor shall provide an update on the progress of the audit at the May 24, 2023 Audit and Finance Committee meeting.
