			<i>TOTAL</i>

* Estimated fees based on the number of food booths.

**These costs were paid by Blues on the Green in previous years, however, these fees are included in the fee waivers for other City co-sponsored park events.

***APD Fee Waiver amount adjusted due to Event wanting APD to provide all officers as opposed to some through an off-duty contract.

Increase includes \$9435 paid to off-duty officers in 2023 plus \$4000 to cover the difference between off-duty rate and regular overtime rate.
