**Additional Backup Information:**

This action would set the public hearing on July 20, 2023 for the PID 2024 assessment. The proposed 2024 assessment rate of \$0.0925/\$100 valuation is estimated to produce \$13,328,896.13 at an 85 percent collection rate. At the request of the Board of Downtown Austin Alliance, the PID management entity, the proposed 2024 rate decreased to \$0.0925 from previous years' rate of \$0.10 per \$100 of valuation.

State law requires a public hearing by Council to consider the proposed 2024 assessments. Council's consideration of the assessment rate and proposed assessment roll on June 8, 2023, under related file no. 23-2175, allows notices to be sent to property owners, giving them an opportunity to review the property valuations prior to the public hearing. Property owners have a right to challenge their assessment at the hearing. At the hearing on July 20, 2023, the Council must hear and pass on any objection, made orally or in writing, to any proposed assessment, prior to approval of the ordinance levying assessments and setting the method of collection and the rate of interest for late payments. The Council also will consider the approval of the PID 2024-2025 Service and Assessment Plan and Budget update.

The PID encompasses an area of approximately 605 acres, from I- 35 westward to Nueces and San Antonio Streets, including portions of the Seaholm District. Its boundaries end at 15th Street to the north and extend south of Lady Bird Lake to include portions of the South Central Waterfront area. The PID was initially created by the Council at the request of property owners on April 15, 1993, to provide ongoing funding for enhanced services and improvements downtown. Since then, Council approved a new PID to replace the original PID, with expanded boundaries. The City has maintained a contract with the Downtown Austin Alliance to manage the original PID and the replacement PID. The most recent contract for years 2023-2028

is for more than \$79 million and was authorized by Council on February 23, 2023.
