According to Strategic Direction 2023, the issue of homelessness has been identified as the Council's top priority. The number of people experiencing homelessness in Austin continues to rise, with the Point-In-Time

Count reflecting an increase from 2,147 in 2018 to 2,255 in 2019 and 2506 in 2020.

This action authorizes the negotiation and execution of a Purchase and Sale Agreement with Apple Pie Hotels, LLC., to acquire the land and building to provide housing and support services to those experiencing homelessness as part of the City's Motel Conversion Strategy. The acquisition will include approximately 47,355 square feet of commercial building space on a 2-acre lot.

The Homeless Strategy Office, Housing and Planning Department and the Office of Real Estate Services have identified the building at 10811 Pecan Park Blvd, Bldg #2 as a property that would be able to provide housing and support services to those experiencing homelessness. The property's location decreases concentration of poverty, is close to retail services, and is proximate to a light rail station. The estimated purchase price including closing costs and other related fees is \$ 9,500,000.

**Strategic Outcome(s):**

Economic Opportunity and Affordability.
