Council Committee, Boards and Commission Action:

June 1, 2023 - AHFC authorized negotiation and execution of an amended loan agreement with Austin Habitat for Humanity, Inc., in an amount of \$360,000, for a total amount not to exceed \$931,610, for the development of ownership housing known as Montopolis Townhomes.

Additional Backup Information:

AHFC previously entered into a loan agreement and related documents with Austin Habitat for Humanity, Inc., to provide \$294,000 in additional funds for an ownership development located in District 3. This action requests ratification of that amended loan agreement.

Source of Funding: \$294,000 (2018 GO Bonds)

Prior Funding:

1. \$277,610 in 2021 - Administratively Approved
2. \$294,000 in 2022 - Administratively Approved (Requires Ratification by AHFC)
3. \$360,000 in 2023- Approved by AHFC
\$931,610 - Total Combined Loan Amount

Background: Staff is requesting that AHFC ratify the amount of \$294,000 previously administratively approved. AHFC executed an amended and restated loan agreement in the amount \$931,610 that covers all three previous approvals/awards. Because the combined amount of the first and second approval exceeds the administrative signature authority, the amount of \$294,000 now needs to be ratified by AHFC to fund the new loan amount of \$931,610.

Development Information: Project funding will be utilized for construction costs for the development of 12 ownership units. All homes will be available for sale to households earning at or below 80% median family income. The units will remain affordable for 99 years.

Development Application: The proposed development's application to the City of Austin may be found here:
