Additional Backup Information:

This action will authorize negotiation and execution of Amendment 1 with Urban Alchemy to add a new program, ARCH Temporary Expansion shelter, to operate the facility currently owned by The Salvation Army at 501 E 8th St, Austin, TX 78701. It will also approve the extension of the current ARCH shelter services at 500 East 7th Street and add additional funding.

This agreement was originally awarded via an emergency procurement for the operation of the ARCH facility. On July 18, 2022, the Austin Public Health Department hosted nine organizations to present a response to the opportunity. A tenth organization was included in the opportunity discussions on July 19, 2022. In response, Urban Alchemy submitted an Interest Form for the ARCH emergency agreement. An internal committee reviewed the application and decided based on the information provided and various other factors.

The original ARCH program operated by Urban Alchemy is located at 500 East 7th Street in downtown Austin. The building is approximately 28,000 square feet with three floors and a garage. The ARCH provides housing-focused shelter and basic needs services to individuals ages 18+ who identify as men and are experiencing homelessness. The shelter is designed to help clients meet their basic needs and serves as a gateway into a variety of programs and services to help move clients into stable housing as quickly as possible. The maximum number of individuals who can sleep at the ARCH overnight is 130.
