Lead Department

Audit and Finance Committee.

Council Committee, Boards and Commission Action:

Audit and Finance Committee - December 15, 2021 - The motion to not amend the bylaws, and to refer the issue of location of the meetings to the full council, was made on Council Members Pool's motion, Council Member Kelly's second on a 4-0 vote. Mayor Adler was off the dais.

Additional Backup Information:

The City's Land Use Commissions have requested bylaw changes which would codify City Hall as the permanent meeting location for those commissions. After discussing the bylaw amendments, the Audit and Finance committee did not support the approval of the bylaw amendments and agreed to send the item to the full council for further discussion and action. The committee also referred the issue of location of these meetings to the full council.
