**Additional Backup Information:**

The contract will provide independent third-party reviews to verify compliance with the terms and requirements in economic development incentive agreements and agreements related to participation in the Texas Major Events Reimbursement Program (MERP) and/or the Texas Events Trust Fund (ETF). In accordance with Resolution No. 20071206-049 and Ordinance 20090312-005, the Council is committed to making the administration of City of Austin economic development agreements a transparent process and requires that compliance reviews for economic development agreements be verified by an independent third party and the results of those independent reviews be made available for public inspection.

The City currently has six active Chapter 380 agreements with five companies. Terms range from one year for Creative Content Incentive Program (CCIP) agreements to 20 years for some Business Relocation and Expansion agreements. For agreements other than CCIP agreements, the Economic Development Department (EDD) typically begins each annual review in February. Each company must meet its performance requirements during each year of the term to qualify for a Chapter 380 payment for that year. In addition to the Chapter 380 agreements, the City has active agreements with the Circuit of the Americas (COTA) and the Circuit Events Local Organizing Committee for annual MERP and ETF events at COTA.

The contractor has conducted third party independent reviews of EDD's Chapter 380 incentive agreements and MERP/ETF events at COTA since 2007. This contract is replacing an existing contract which expires July 2023. This contract should start February 1, 2023, so the term runs concurrently with EDD's review process. The authorization amounts were determined by allocating funding for the maximum estimated number of reviews which could take place in any given year. The recommended contractor is the current provider for these services.

An evaluation team with expertise in this area evaluated the offers and scored RSM US LLP as the best to provide these services based on experience providing agreed upon procedures reports to state and local governmental entities, price, local preference, experience in providing independent audit and attestation service engagements, licensed Certified Public Accountant and in good standing with the Texas Board of Public Accountancy, and service-disabled veteran business enterprise.
