Project Proposal:

Woodway Square is a 240-unit development located at 1700 Teri Road, Austin, Texas 78744. Constructed in 2003, the property was originally financed with private activity bonds from the Travis County Housing Finance Corporation and 4% Low Income Housing Tax Credits (LIHTCs) from the Texas Department of Housing and Community Affairs. The issuance of private activity bonds will help to finance a rehabilitation that will create a new fitness center, bus shelter, and playground, provide upgrades to unit finishes and equipment, and extend the project's affordability period.

Financing for the development is proposed to come in part from 4% LIHTCs and private activity bonds issued by AHFC.
